

NOTICE OF ENVIRONMENTAL ADVISORY BOARD MEETING

The Royal Oak Environmental Advisory Board will hold a meeting at
7:00p.m. on Wednesday, January 27, 2021

COVID-19 is a new strain of coronavirus that had not been previously identified in humans, can spread easily from person to person, and can result in serious illness or death. To mitigate the spread of COVID-19, to protect the public health, and provide essential protections to vulnerable Michiganders, it is crucial that all Michiganders take steps to limit in-person contact. The critical mitigation measures include social distancing and limiting the number of people interacting at public gatherings. Conducting the January 27, 2021 Royal Oak Environmental Advisory Board meeting in person would risk the personal health or safety of members of the public and/or the environmental advisory board. Therefore, the meeting will be held electronically, in compliance with PA 228 and PA 254 of 2020 and procedures established by the Royal Oak City Commission.
