5,678 total runs in 2011

TIP OF THE MONTH: Electrical Hazards

-  Do not touch electrical devices when your hands are wet or when standing in water.
-  If you feel a "zap" when touching an appliance, unplug it immediately and have it repaired.
-  Replace any electrical cords that are cracked or frayed.
-  Do not overload electrical outlets or extension cords and do not run extension cords under rugs.
-  Do not mess with your fusebox or use improper sized fuses
-  Electrical work should be done by a licensed electrician and the work should meet local building codes and be inspected by local building officials.
-  Keep halogen lights away from any flammable material and low ceiling areas. Do not leave halogen lights on when you leave your home.
