OAK 1972

*Our answer is the world's hope:
it is to rely on youth—
not a time of life but a state of mind,
a temper of the will,
a quality of the imagination,
a predominance of courage over timidity,
of the appetite for adventure
over the love of ease.*

These teachers are specially represented here, for the extra time they have put in for students. Mr. Voelz has worked hard for both the Oak and the Acorn. Mr. Chynchuk has arranged for student discount tickets at the Fisher Theater. Mr. Rockwell has made it so that students can see movies for \$1.25. Mrs. Schultheiss has worked hard trying to change final exams, and Mr. Bryce has put time into work on Positive Action to Save Our Schools. The Oak appreciates these teachers, and we think a lot of other students do, too. We just wish there were more teachers like them.

Administration

I heartily accept the motto—"That government is best which governs least;" and I should like to see it acted up to more rapidly and systematically. Carried out, it finally amounts to this, which also I believe—"That government is best which governs not at all;" and when men are prepared for it, that will be the kind of government which they will have.

THE TEACHERS

Lord, who am I to teach the way
To little children day by day.
So prone myself to go astray?
I teach them knowledge, but I know
How faint they flicker and how low
The candle of my knowledge glow.
I teach them power to will and do.
But only now to learn anew
My own great weakness thru and thru.
I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.
Lord, if their guide I still must be.
Oh, let the little children see.
The teacher leaning hard on Thee.

Dondero's English department has grown in size over the past years and is now a more diversified, informative department. Different courses which are available are: Theater Arts, Drama, Novel, Advanced Comp., Black Experience, and many more.

Provocative courses that allow the students further free will in choosing subjects that interest them is what the Dondero student finds for himself. This helps the students to do a better job in his classes because he is able to enjoy them to a greater degree.

This year Senate has taken on a variety of tasks and activities. Here, they busy themselves with such projects as making posters, holding raffles, painting a house, and just working in general. Among Senate's numerous other projects this year were holding a canned food drive, staging a talent show, and helping to organize a mock Democratic Convention.

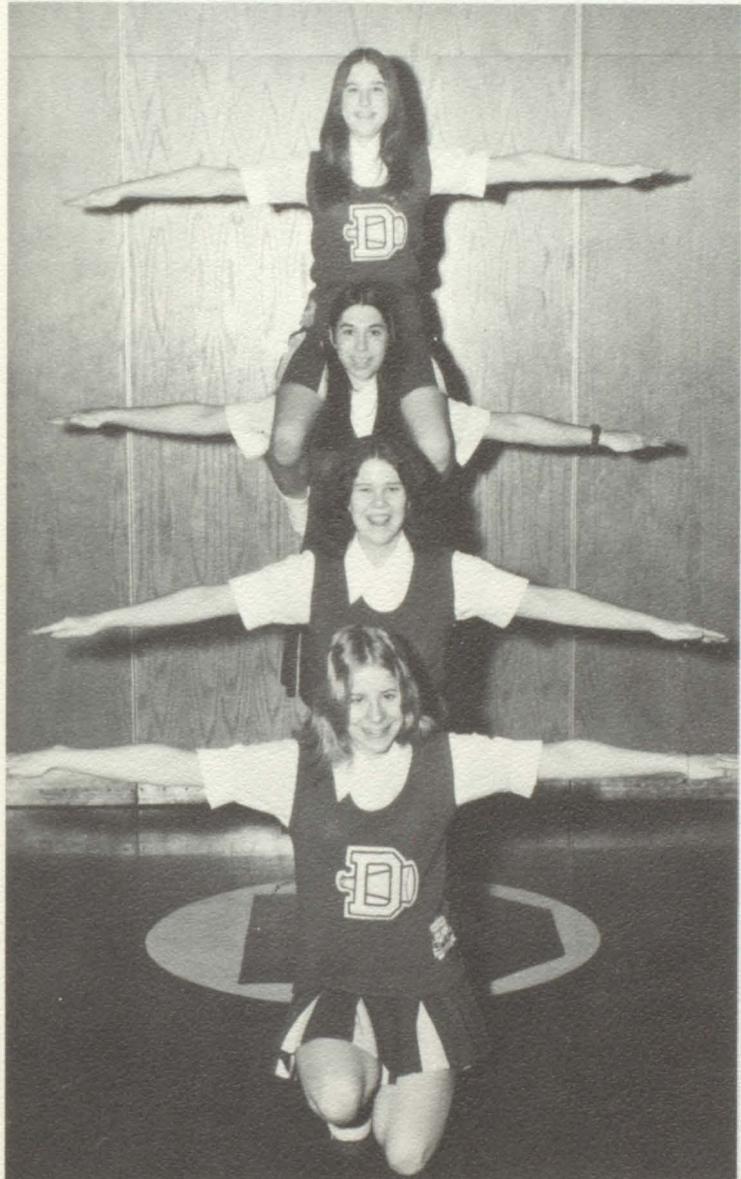

Cheerleaders Take Second in State

Dondero's cheerleading squads won several awards during the 1971-72 season. The Varsity squad took a second place trophy in state competition at Midland, Michigan. During the summer at a national camp in Hartland, Michigan, they finished with a third place trophy and five ribbons. Susie Joswick took a fifth place individual trophy. The JV squad went to the International Cheerleading Federation Camp in Ypsilanti and did very well by taking third place.

Oaks Play Traditional Game Brilliantly

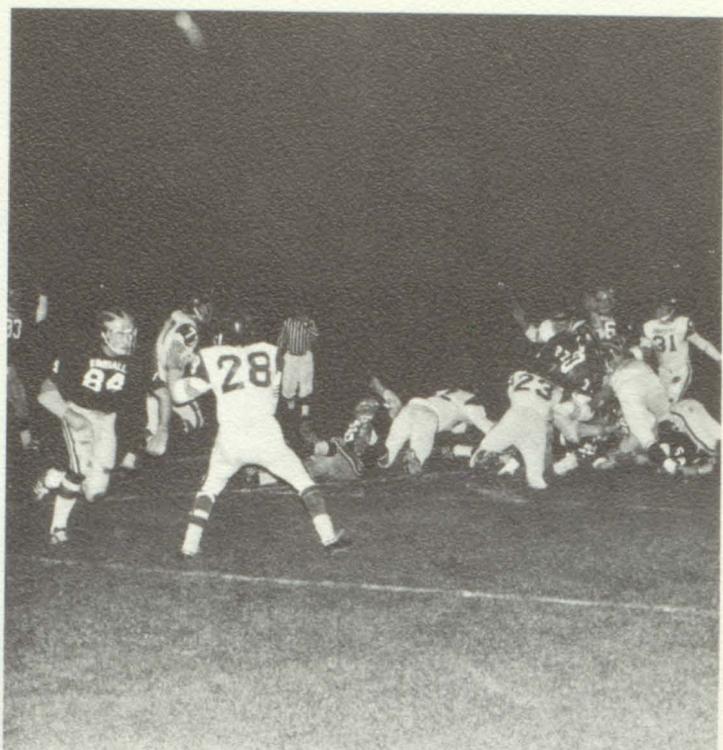

At the time of Dondero's and Kimball's traditional rivalry the Oaks were found as the definite underdog. Even though the final score was Kimball 18 and Dondero 6 the Oaks played their finest game of the year against the Knights, who were rated number two in the state.

On the first play from scrimmage the Knights scored on a very impressive option play but the Oaks were not disappointed. After the kick-off the Oaks moved the ball 80 yards downfield inside the Knights' 10 yard line. Upon reaching the seven-yard line the Oaks fumbled on a crushing tackle. The Knights gained possession of the ball and scored again making the score 12-0.

In the second quarter the Oaks scored. A fine pass from Mike Kenny was received by Dan Busto who ran on to make Dondero's only touchdown.

The Knights scored once again before the first half ended. After half time both teams came back knowing each others style, therefore defense prevailed.

Although the Oaks lost they had succeeded in piling up 190 yards against the Knights which is more than any other Kimball opponent had achieved this season.

A Kimball runner plows into the Oak defense to score on a crucial play.

John Schwandt (29), receives a pass for valuable yardage as a Kimball defender stands helplessly by.

Roger Markiewicz Leads the Team . . .

The Mighty Oaks Cross Country Team had a mixed season posting a 5-6 overall record. With this they placed 2nd in the Border Cities League. The Harriers finest showing of the year was with a 16-47 win over Andover.

The Harriers attribute their fine season to the valiant efforts of Coach Richard Hursch and Co-captains Roger Markiewicz and Fred McMann.

Matmen Pin Down Excellent Season

Dondero's fine wrestling team finished the 1971-72 season triumphantly. The grapplers proudly retired from the mats with eight wins and only four losses.

The season record was a big victory for the Oaks in two ways. First, at the start of the season the team was faced with a weight problem and a few minor injuries. However these problems were quickly overcome and the team started performing superbly. Second, out of all the fall and winter varsity sports, the Grapplers acquired the most B.C.L. points.

Tankers Experience Off Year

Dondero Tankers sank the season this year with a record of 3 wins, 10 losses and 1 tie. Coach Bennett stated that this was a rebuilding year with only two seniors on his squad, Art Tubbs and Glen Krc. Glen and Art qualified for the state meet, with Art Tubbs putting forth an outstanding effort breaking the pool record in the 50 yd. free style with a time of 22.8. Glen Krc also did well in the BCL meet, finishing third. Dondero got a strong performance from Ben Barber in diving, taking third in the BCL meet. Coach Bennett said he is looking for a successful season next year with a more experienced squad.

Cagers Bounce to a Disappointing Year

Dondero's mighty Cagers had a rather disappointing year posting a 5-10 season record and a 6-11 overall. Even though the outcome was not very impressive the Oaks still played some very fine games.

Leading the way for Dondero was senior and captain of the varsity squad, Mark Prevost. Prevost led Dondero with an average of 15 points and rebounds per game. Mark's fine performance throughout the season earned him all B.C.L. first team position and all area honorable mention.

Another outstanding Cager for the Oaks was senior Mike Zaroukian with an eight point game average. Mike was also named all area honorable mention.

These two fine seniors will not be here next season when the Cagers enter the Metro Suburban Activities Association. However, with such players as Terry Lauer, who averaged nine points per game, Dan Wright who had an eight point average, and Dan Busto, Mike Kenny, and Mike Hepner, who all averaged seven points per game, they promise a successful season next year.

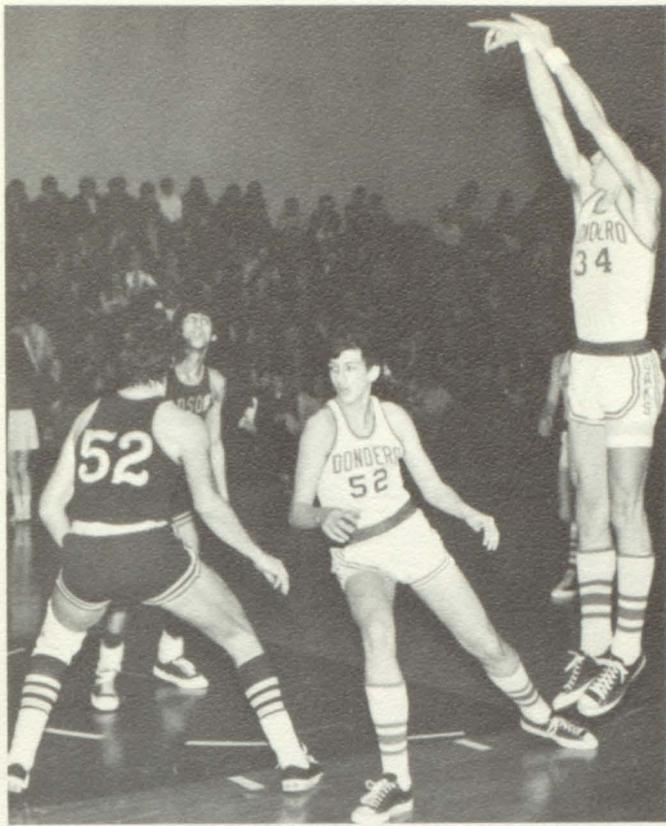

Dave Kirtland (20). outleaps his opponents and brings down a Dondero rebound.

Outstanding Athletic Department Wins BCL Achievement Sweepstake Trophy

The 1970-71 Border Cities League Sweepstake Trophy was awarded to Dondero's outstanding athletic department.

Throughout the various athletic events Dondero accumulated 162 points. Basketball and Baseball led the way with 30 points. Followed by Football with a total of 27 points. Then came Cross Country and

Swimming who both had 25 points. Then bringing up the rear was Tennis posting 20 points and finally Track scoring 5 points.

This is the first time in Dondero's history we have ever been awarded a trophy for our outstanding achievements in the Border Cities League.

Athletes Earn Final All BCL Honors

During the previous 36 years Dondero's athletes participated in the Border Cities League. However, the end of the 1971-72 season marked the last year that Dondero competed in that league.

The reason for Dondero's departure from the BCL was because of distance. The schools the Oaks competed with were: Fordson, Grosse Pointe South, Highland Park, Monroe, and Wyandotte. The Oaks transferred from the Border Cities League over to the Metropolitan Suburban Activities Association. The schools that will participate in this league are: Birm-

ingham Groves, Bloomfield Hills Lahser, Eisenhower, Rochester Adams, Royal Oak Dondero, and Southfield Lathrup.

In the final year of competition the Oaks produced many fine players who are pictured below. For their great performance they were given the honor of being selected all BCL by the six head coaches of the various teams. The student body and staff of Dondero High School congratulate these outstanding athletes for their great achievements in the 1971-72 season.

Seniors Win Again

In November, the Senior and Junior girls met on the football field for an exciting, action packed game of powder-puff football. The Seniors had the fine coaching of Mark and Mike Lebels, Chris Tomaselli and Floyd Soo, while the Junior coaches were John Lesko, Eric Vahlbusch, Mark Bibby, and Don Frinke. The Juniors put up a good fight, but were defeated by the well-organized, mighty senior team. The final score was 28 to 0.

Senior Class Officers of 1972

FROM LEFT: Mrs. Duncan, Senior Advisor; Barb Mitchell, Secretary; Sue Northway, Treasurer; Ken Kolenberg, Vice

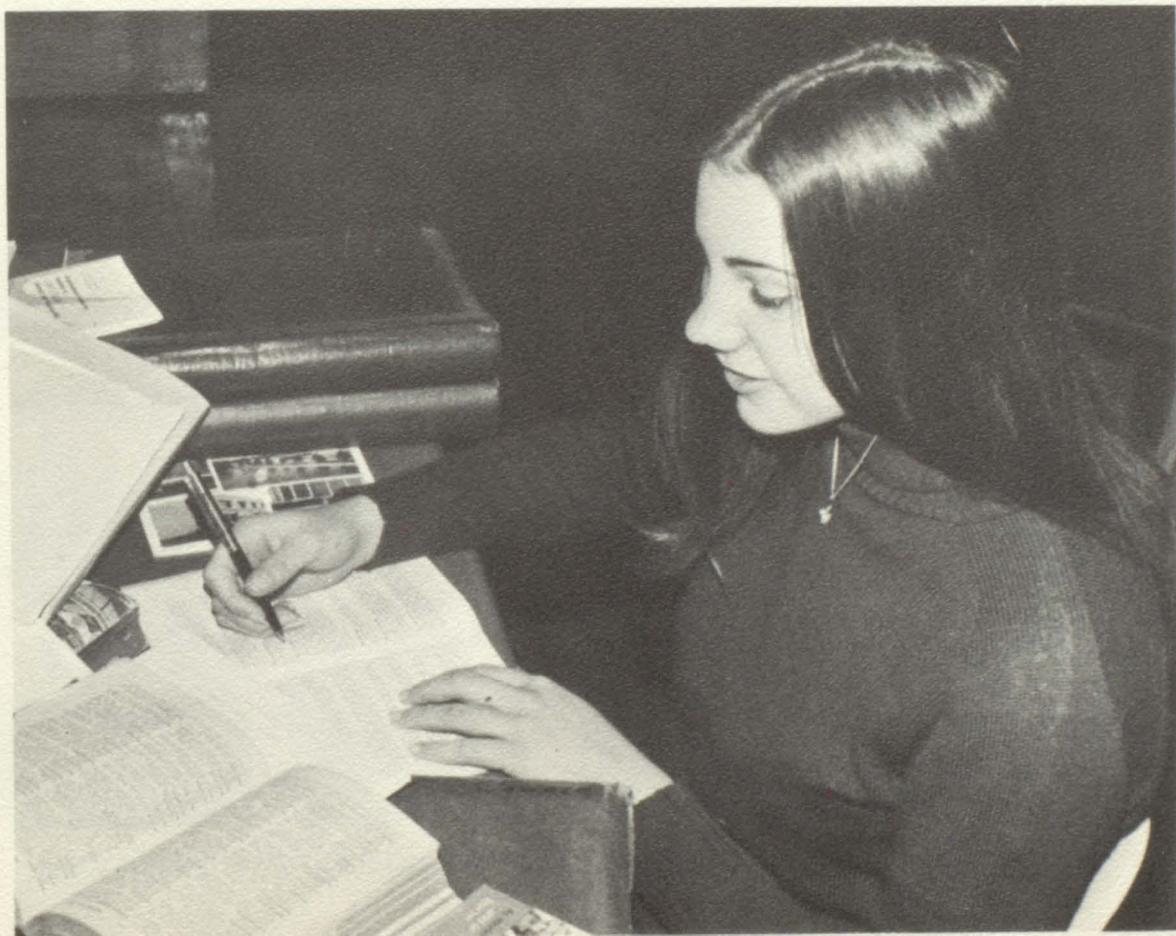

President; Seymour Nayer, President.

The senior class officers have all helped to make this a happy year for the seniors. During the year these events were planned: The paper drive in November, a sleigh ride in February, the senior trip to the Bahamas in April, the prom and the all night party in June. All these were made successful by these people. This is the first year that the officers' campaign speeches have been fulfilled to make it a great year for the 1972 graduating class.

sophomores

Mary Brent, Kevin Moll, Maureen Kenny, Jim Daley and Bill Jones express their class spirit.

The In-Between Year

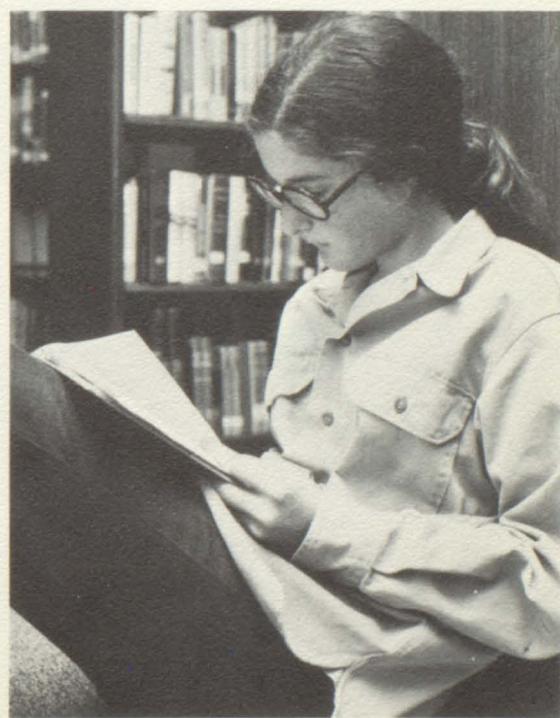

The Sophomore year is a year of "in-betweens", a half-way point in the high school years. For most, it is also a hectic year of sad, joyful, boring, exciting, enlightening, and confusing happenings. It is a year when many people begin to find out who they really are, and learn to "express" themselves. It is also the year when the newness of high school begins to wear thin and the anticipation of graduation becomes a closer goal. The sophomore year presents its frustrations but to most it is a year of many happy, and fulfilling memories.

Expressions Need No Words

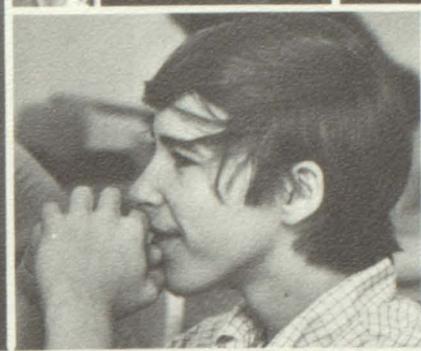

*A pleasant and happy life
does not come from
external things;
Man draws from
within himself,
As from a spring,
Pleasure and Joy.*

Plutarch

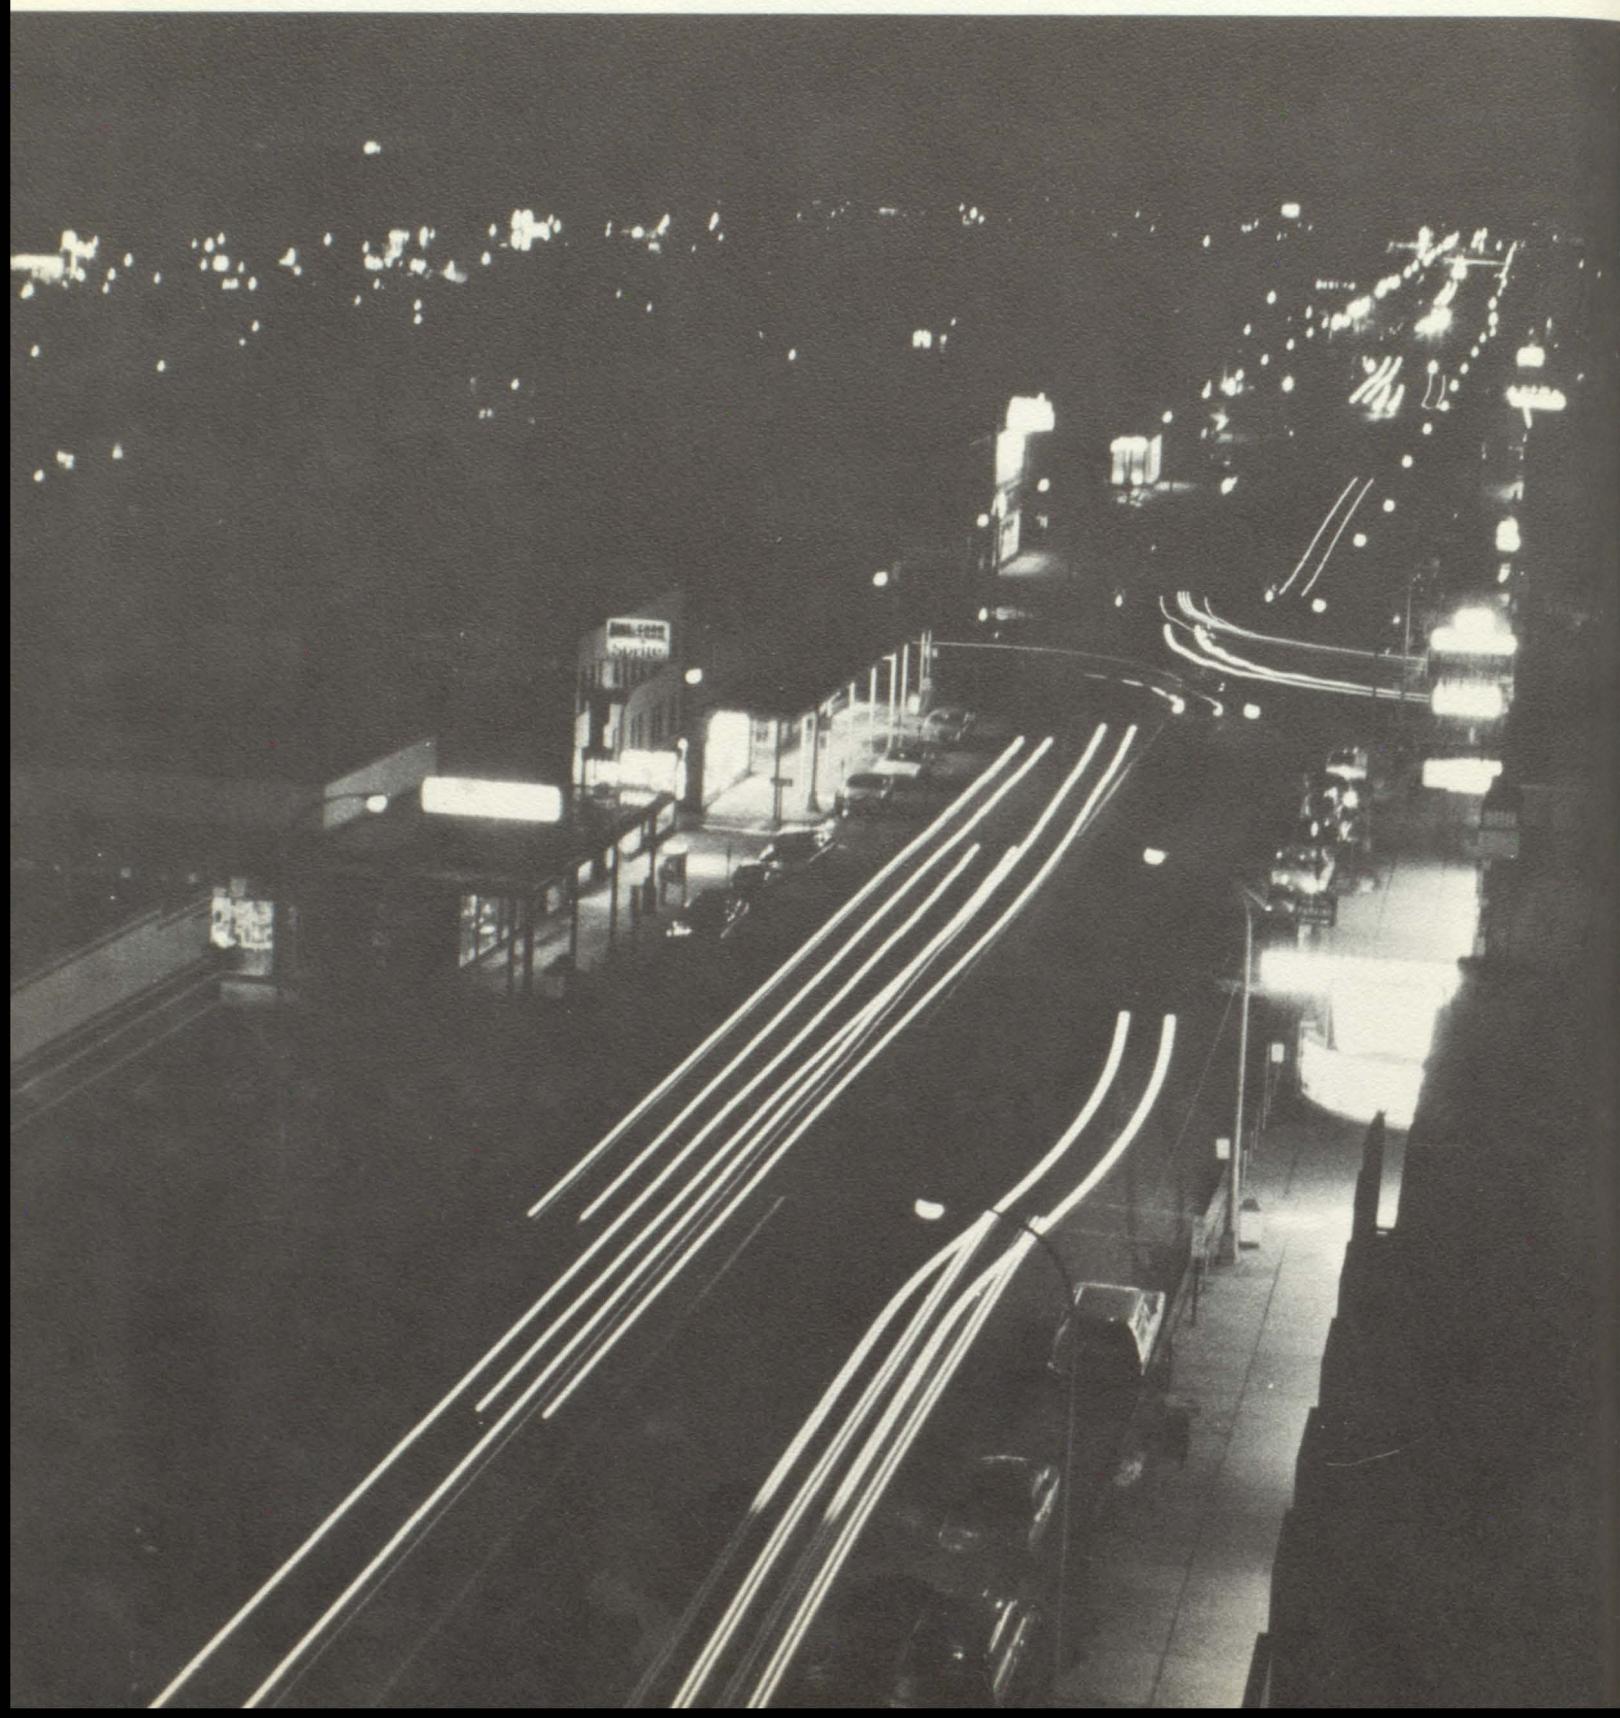

*There is a destiny that makes us brothers;
None goes his way alone;
All that we send into the lives of others
Come back into our own.*

Michigan becomes 15th state to ratify 18-year-old vote

By GARY F. SCHUSTER
News Lansing Bureau

LANSING — Michigan has become the 15th state to ratify a proposed U.S. constitutional amendment giving 18-year-olds the right to vote despite protests that the Legislature's action ignores the will of the people.

The Senate approved the measure, 24-12, yesterday after long and heated debate. The House has passed the proposal on March 24 by 88-22.

The amendment, if ratified by the legislatures of 38 states, will become the 26th Amendment to the U.S. Constitution. On Tuesday Kansas became the 14th state to ratify.

Backers of the amendment argue that 18-year-olds are old enough to vote.

stitution in time for the 1972 presidential election.

The amendment was proposed by Congress last month to end the possibility that some states might have to run elections with dual registration lists.

The dilemma arose last year after Congress passed the voting rights act of 1970. The act would have given the vote to all citizens over 18 in all elections.

However, the U.S. Supreme Court ruled that while Congress could designate the age at which persons may vote in federal election — for president, vice-president and Congress —

For your 18th birthday,
you're going to get
something
you can really use.

Use it well.
