# Renovation Completes New Science Wing

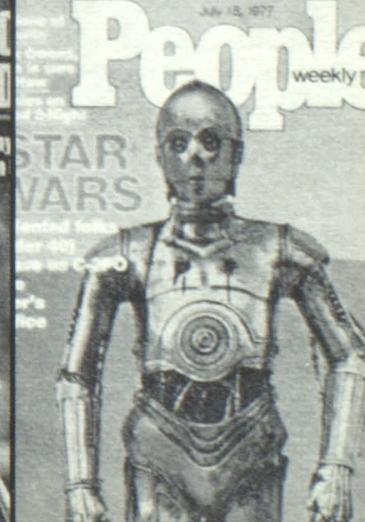

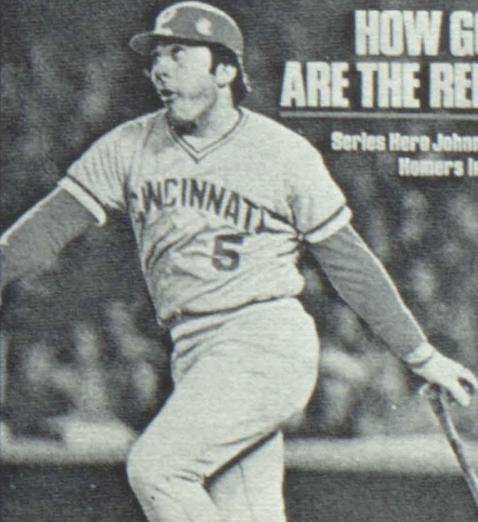

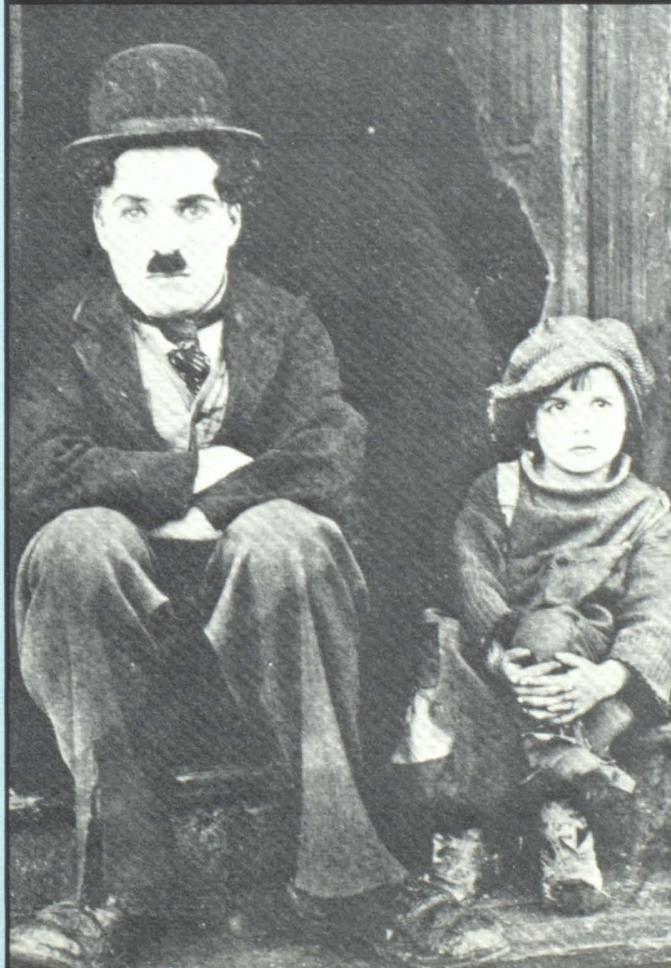

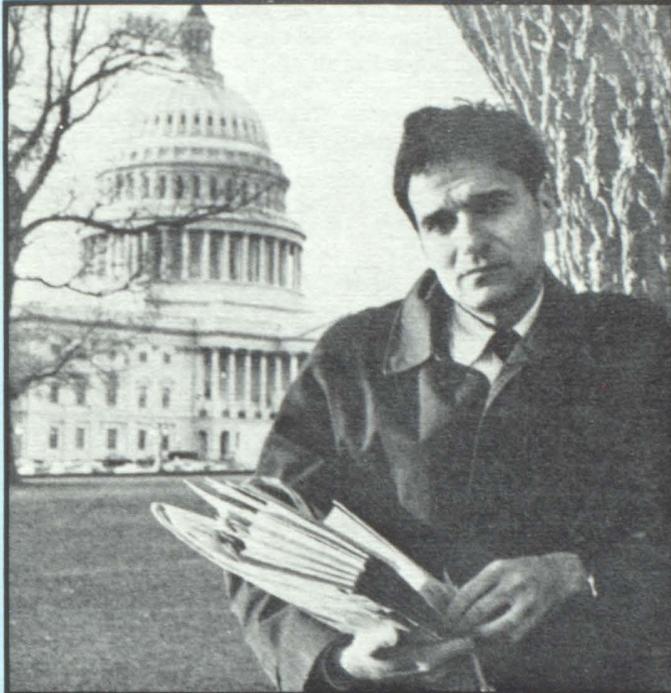

In June of 1977 a new era began for Dondero. The first phase of a three year renovation program took place this school year. The new parking lot was the first objective to be completed. In December, the new science wing was ready for use. The cooperation of students, faculty, and administrators has made the whole project much easier.

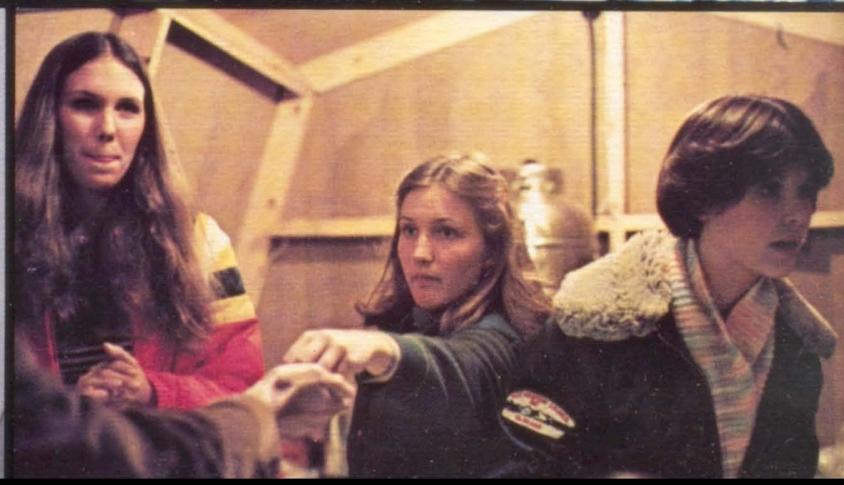

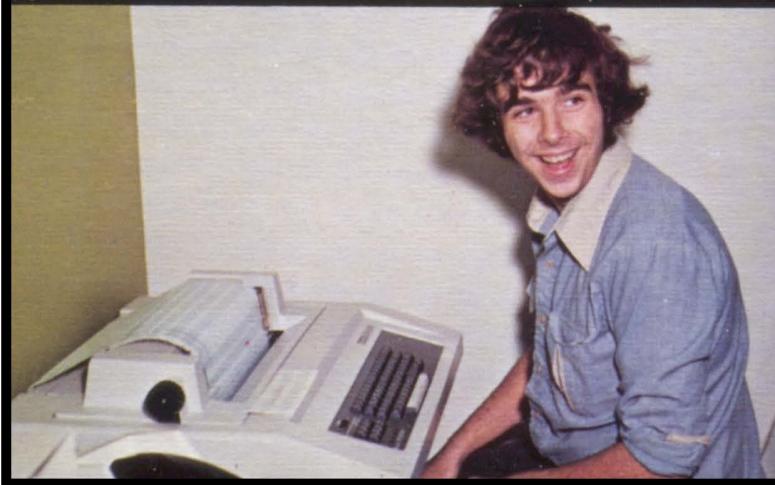

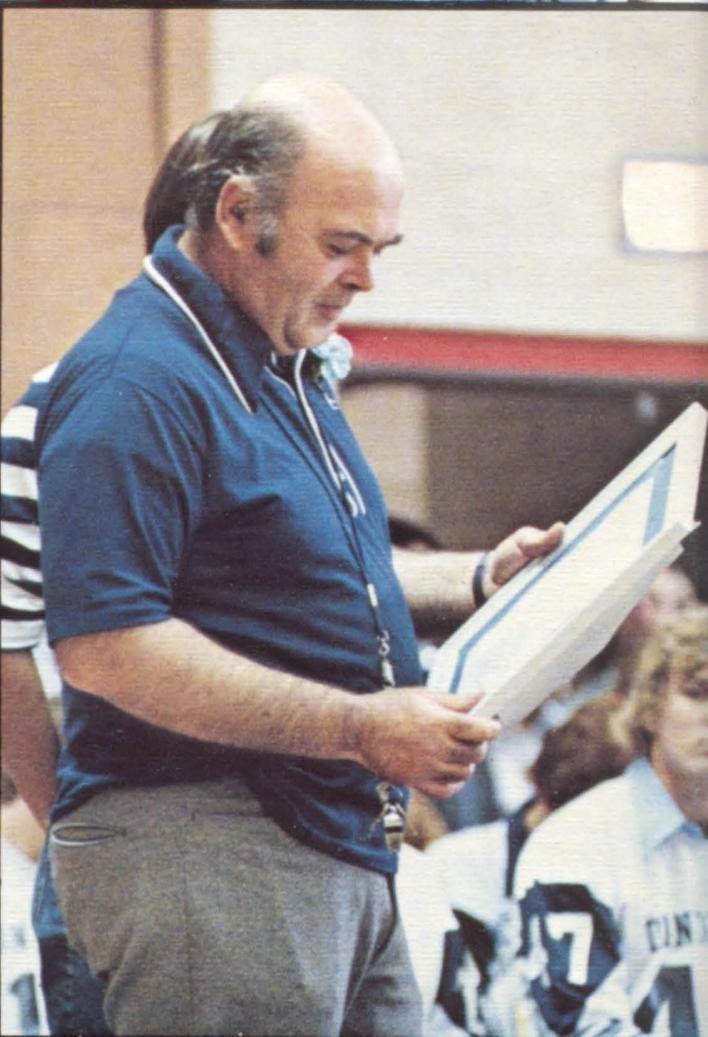

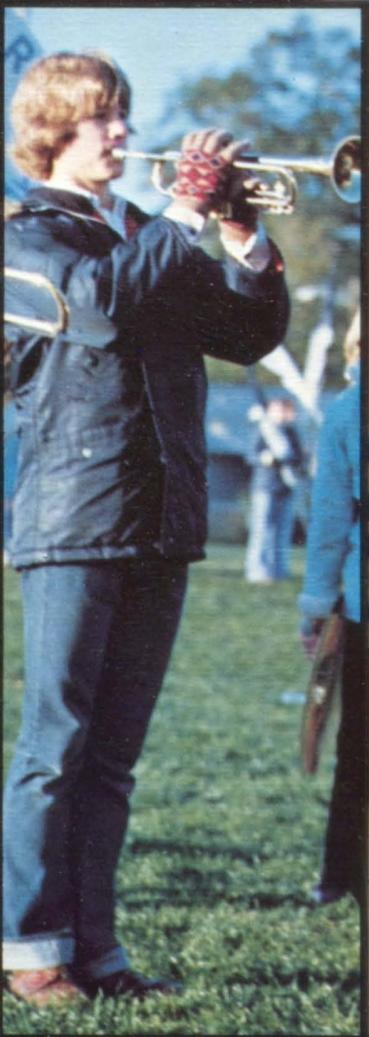

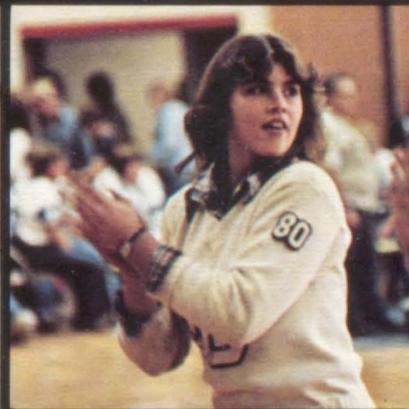

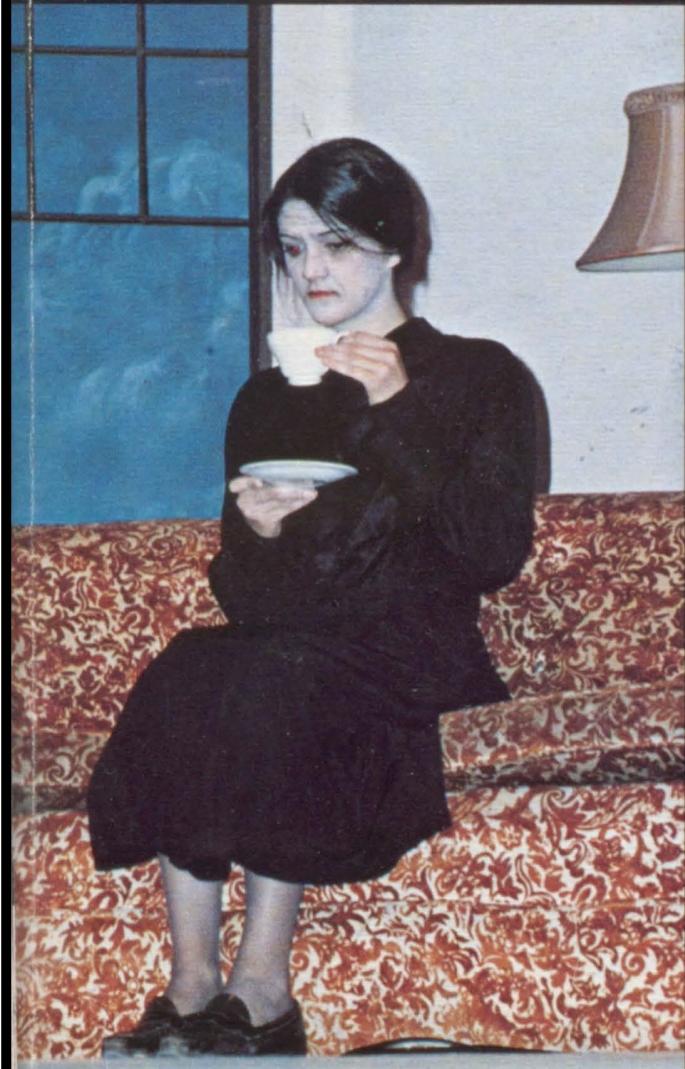

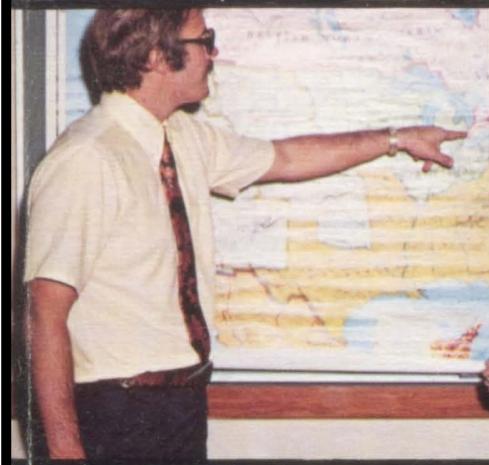

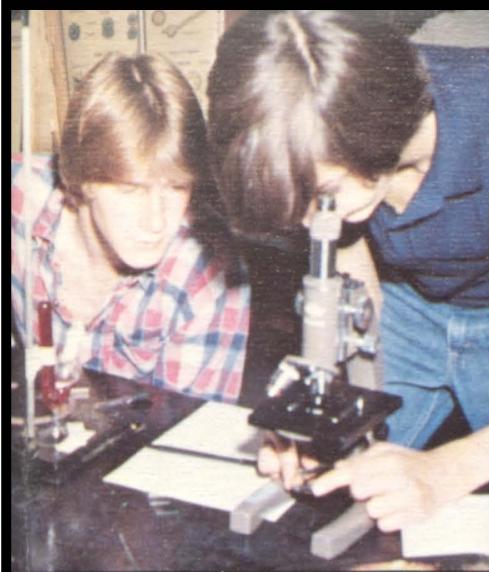

After long months of waiting, Mr. McElroy moves into his new Biology room with the help of Wade Nitowski.

LIGHTS

CAMERA

In the last five years, theater has increased its popularity. Both old and new movies have created a great response. Here at Dondero we have kept up with the times. For example, our theme for Homecoming was Movies, Student Senate sponsored movies for the entertainment of the students, and our filmmaking class was more popular than ever. The Oak Staff would like to represent the times by placing the most popular movies in our book.

# Debate . . .

It was a busy and rewarding year for the Dondero Debate Team. For the fourth year in a row, the team took second place in the MSAA League, losing out to Southfield-Lathrup, which won first place in the Michigan State finals at Grand Rapids. Even then in speaker points, Dondero beat Southfield-Lathrup by one point, while losing in debates.

For the first time, the team picked up four trophies in the Warren Woods Novice League, winning two of the top ten affirmative and negative awards, along with the usual school trophy and medallion. The squad also took sixth place out of 14 schools in the Middle Macomb Junior Varsity League. Varsity came in second last.

This year's topic was "Resolved: That a comprehensive system of medical care should be guaranteed by the federal government for all U.S. citizens." Next year the team will debate energy independence for the country. Besides competing with other schools in the Detroit area in three leagues, the squad also attended the Novice State Prelims at Grand Blanc. The debaters also staged demonstration debates before English and social studies classes to display their techniques and recruit members.

Named as Most Valuable Debater this season was Kim McLaughlin. Top Affirmative Trophy went to Cathy Anderson and Top Negative Trophy went to Mona Cocoli. Tom Hawkins won the Top Novice Trophy.

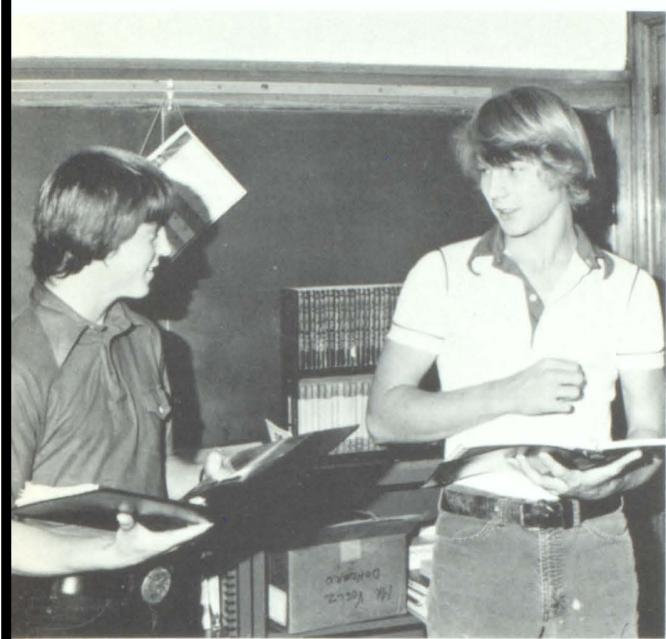

Sharla Scannell, top school junior varsity speaker in the Middle Macomb League and top negative speaker in the Warren Woods League, and Mona Cocoli combine their efforts.

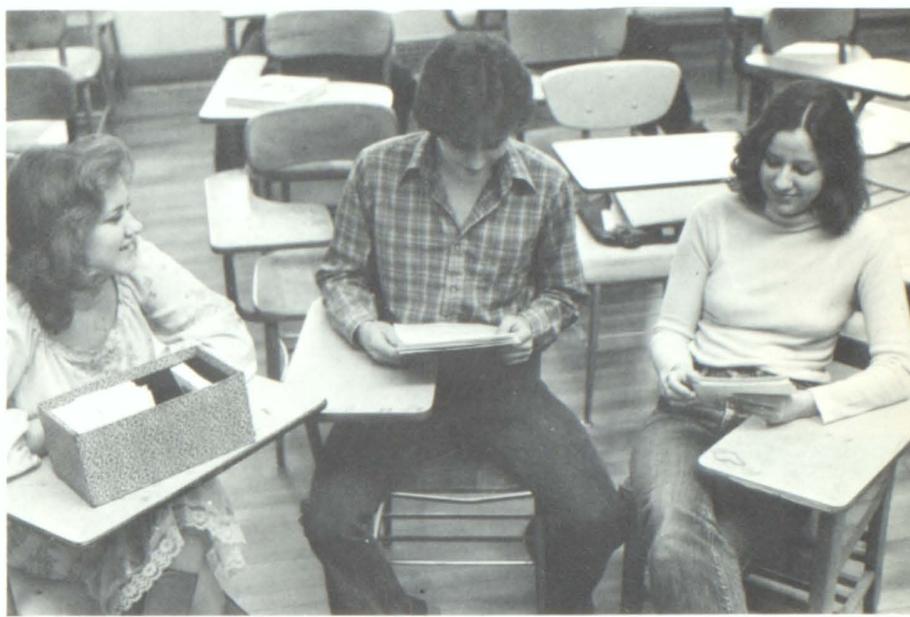

BACK ROW: Mona Cocoli, Tom Hawkins, Dave Weber, Ted Higgins, and advisor Mr. Voelz. FRONT ROW: Paul Alcala, Cathy Anderson, Sharla Scannell, Kim McLaughlin, and Dawn Flynn.

# Another Successful Year

Dave Weber catches his opponent, Ted Higgins, off guard and succeeds in proving his point.

Dawn Flynn, Tom Hawkins, winner of Sportsmanship Award and elected to the board of governors in Middle Macomb League, and Monica Lareau examine their notes.

Paul Alcala, top affirmative speaker in the Warren Woods League, and Cathy Anderson, top school speaker in the Warren Woods League, listen to Kim McLaughlin, top school varsity speaker in the Middle Macomb League.

# Oakies Work To Beat Second Place

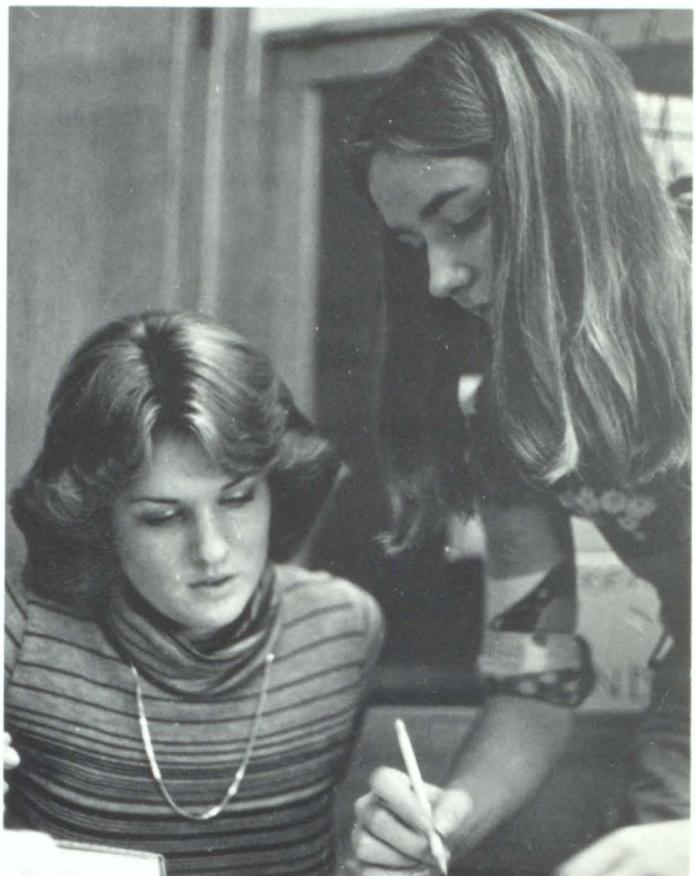

Turning out a yearbook requires a lot of work. Last year's Oak received a second place award from the Columbia Scholastic Press Association.

A typical day for a staff member may consist of getting ads, taking photos, designing layouts, choosing and cropping pictures, writing body copy, correcting cutlines, and proofreading.

This year's staff is mainly concerned with pleasing the student body by representing all areas of school life.

*Mary Quarles works on her layout while Stan Babinski takes a break.*

*Koula Bonnier checks punctuation for Sue Frazier's cutlines.*

*Being Assistant Editor of Scholastics keeps Jeanine Jackson busy.*

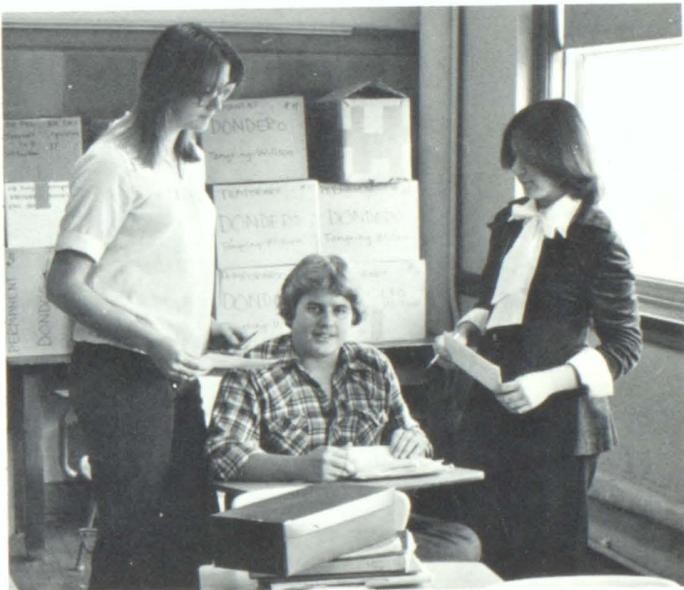

*Bonnie Boerkel and Layout Editor Paige Sommer work to create a perfect spread.*

Busy at work are Mike Flynn, Photographer; Margie Kaser, Assistant Columns Editor; Duane Haldemen, Photographer; and Polly Lesher, Sports Editor.

Editor-in-chief Tim Sigman checks over Managing Editor Mona Cocoli's story.

The Acorn once again started the year as one of the largest high school papers in the country. Mr. P. Voelz advised the Acorn for the eighth year. The staff consisted of 21 talented students, 7 of whom returned from last year.

The Acorn added a full page comic section to the paper. For the first time ever, the paper was sold only by subscription.

The 1976-77 Acorn received a first place award from the National Quill and Scroll Society.

This year the editors interviewed Carl Bernstein of the Washington Post and Tom Hayden, political activist and former Acorn Editor (1957).

The achievement of each individual is the pride they take in doing their part to make the Acorn a success.

Steve Cocoli, Business Manager, waits patiently for Howard Matthews, Exchange Editor, to finish the story.

# Genesis Creates a Masterpiece

Janie Krakker and Curt Jenkins take time out to appreciate other art works!

Thinking up another brainstorm for Genesis is Char Perkins.

Genesis has changed this year. Last year the club was based on voluntary participation by students after school. This year the literary magazine was put out by students in two classes of imaginative writing, taught by Ms. Kay Brakeville and Mr. Bud Stout. The magazine consisted of poems, short stories, essays, songs, photographs and artwork by Dondero students, and was published in May. The club also had a Christmas party, a hershey kiss raffle, and a 30-hour read-a-thon. Greg Bart was chairman of the committee which directed publication of Genesis.

# Our Language

Two important classes were added to our English Department this year. Developmental Reading, taught by Mrs. Schultheiss and Mr. Streeter, and Imaginative Writing 1 and 11, team-taught by Ms. Brakeville and Mr. Stout.

The purpose of Developmental Reading is to assist students who have missed out on basic reading skills. The Imaginative Writing classes were designed to give students interested in writing a chance to develop and expand their writing abilities.

# Opening the Door to Communication

Here at Dondero, language classes in French, German, and Spanish are offered along with advanced placement courses for excelling fourth year students.

Learning a language offers many advantages such as usage in travel, secondary skills in a chosen career, and a better understanding of English.

Language education presents the opportunity to express oneself while gaining new cultural insights.

Jean Ellison really enjoys her third year French Class.

Mr. Price describes life in Germany as his fifth hour takes notes.

Cecelia O'Kroy learns how to tell time in first year German.

Dave Bretz tells the class in French how to bake a cake.

Mr. Solis explains the correct way to make tacos to his first year Spanish class.

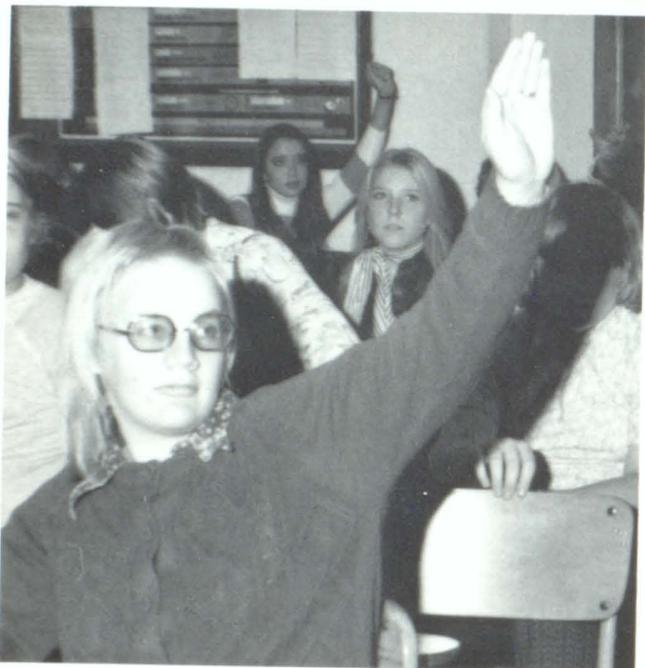

Julie Bossenberry knows that a sound vocabulary is essential in speaking French.

# Math Department Adds Computers

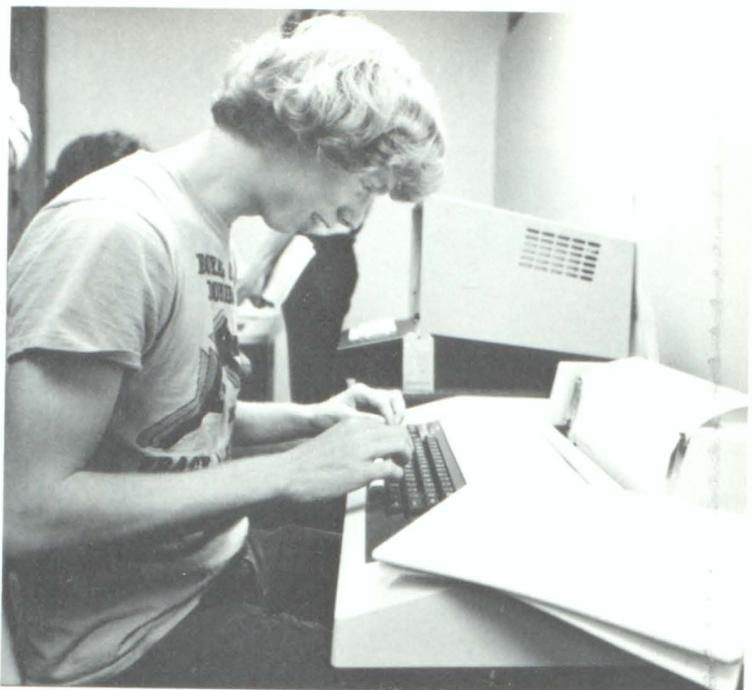

The Math Department has enlarged once again. The new addition is the Computer Math course, whose teachers are Mr. Diebel and Mr. Sing. It instructs the students how to program computers.

There are a total of ten teachers who conduct Senior Math, Honors Geometry, Informal Geometry, Algebra, Pre Algebra, and General Math.

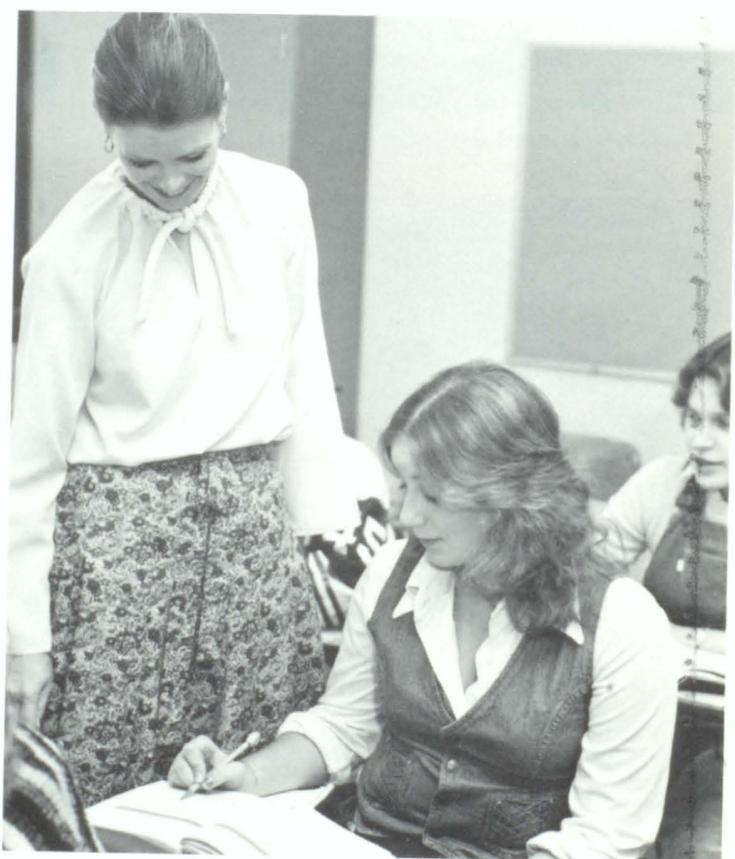

That should verify that there are plenty of courses provided for the many students interested in math.

Mr. Phelan conducts his Senior Math class.

# Renovation Brings New Facilities

Science is more than dissecting a frog or balancing formulas. Science courses at Dondero range from Astronomy to Honors Senior Science.

Renovation in the science department consists of four brand new Biology and Chemistry labs, each complete with its own preparation room. In addition, Physics classes have been furnished with better equipped facilities.

Learning about cell structure, Chemical reactions, and energy gives a basic knowledge necessary to understand our environment and how to deal with its problems.

# Social Studies . . .

This year there are about 1900 students taking a Social Studies course.

Sociology is one of the courses. It includes the study of human problems and how to understand them through scientific methods. Psychology is the study of behavior.

We also have courses like American Government and United States 20th Century History. Other courses deal with different periods of history and land geographies.

It is a requirement at Dondero to take 3 years of Social Studies. The Department Head, Mr. Cook, has a very nice way of explaining the importance of Social Studies, "Kids today have to know what's going on around them."

*Tim Stockman wonders, what could be better?*

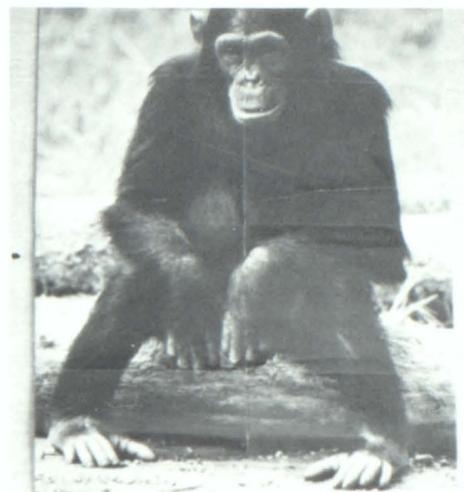

*Mr. Cook demonstrates one of his instinctive behaviors on Liz Kovich, while Kerry Kirby, Tom Sutherland and Matt Starkey look on.*

Terri Dunne is satisfied with her work.

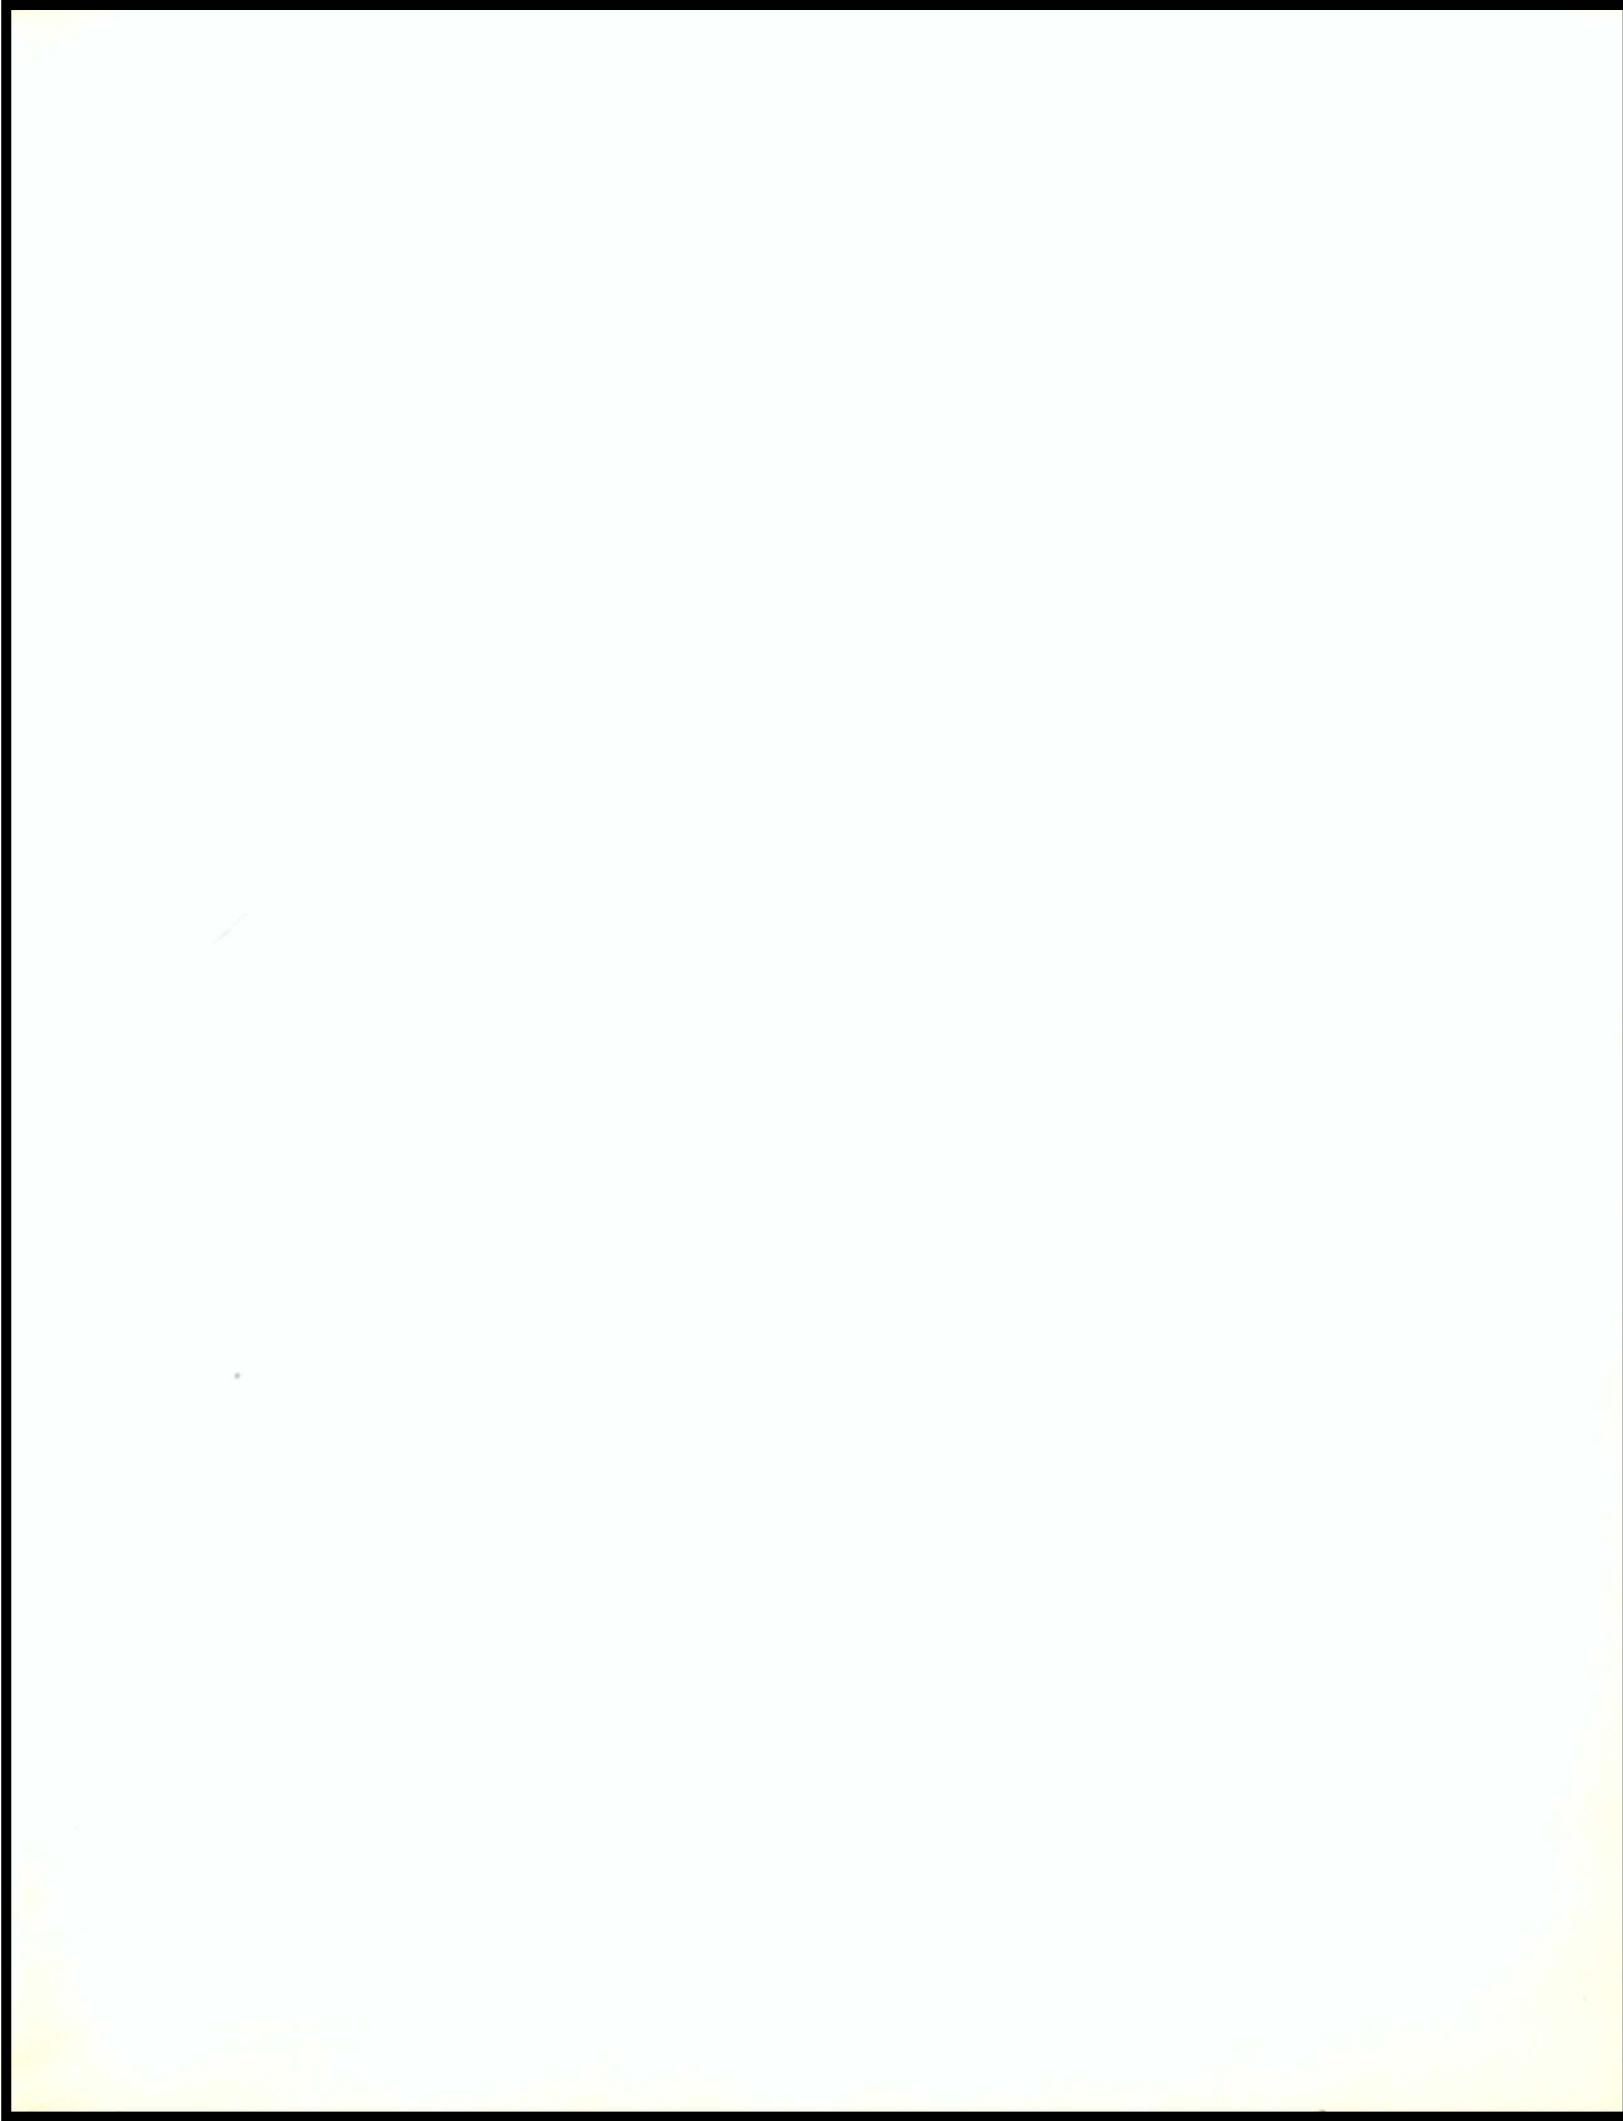

Teresa Miskiewicz can't wait to get started.

Cathy Solomon, Pam Long, and Liz Kent look anxious to learn.

# Students Prepare for Food Career

Dondero students involved in Vocational Foods must take many precautions which are routine in restaurants. These measures include a TB test, wearing hair-nets, no sandals or open toed shoes, no type of jewelry, and no gum or candy in the mouth. The class supervisor is Mrs. Rath.

Terri Riddell doing dishes?

Dave Gibson and Mark Carlson enjoy their day preparing lunches at Keller.

## Film Making

Film Making class has been offered to students for three years now in Dondero. The class involves about 20 students each semester. A number of films are produced by the students ranging anywhere from one to sixteen minutes on a variety of subjects. This spring several films were entered into The State-wide Film Festival, sponsored by the Michigan Student Film Forum.

Mr. Rockwell, who has been teaching the class all three years, said that three of his former students have started careers in photography as a result of taking the class, and several other students are planning on taking film courses in college.

John Moyer thinks that filming is a breeze.

# WOAK

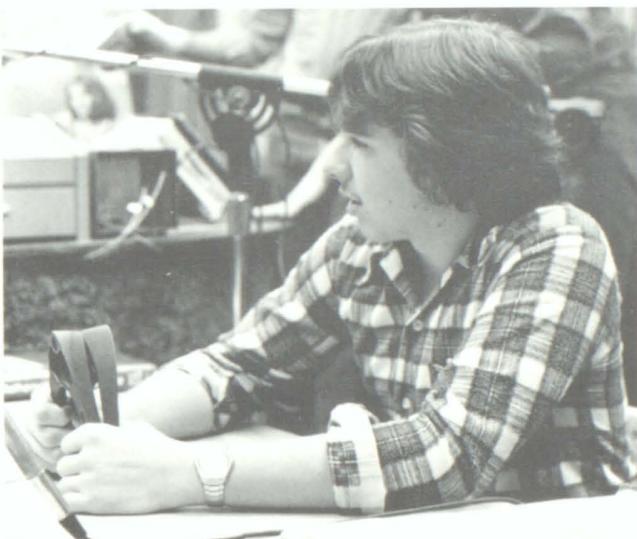

This year, our radio station, WOAK, started a new program. It involved students writing biographies and broadcasting them. Jeff Grayson broadcast a 50-hour marathon. WOAK also designed a daily program schedule for the convenience of the listeners. The officers set up the schedule and their supervisor, Mr. Weddle, designed the program. This year's officers are President-Steve Taylor, Vice-President-Jeff Grayson, Treasurer-Shelley Ratcliff, and Secretary-Linda Calhoun.

# Learn and Earn. . .

This year Co-op had more students than ever. They also have had a great increase in jobs. By joining Co-op, students have a much better chance of getting a good job than by trying to get one on their own. Some different types of Co-op programs are Office Co-op, Retail Co-op, Trade and Industrial, Vocational foods, Vocational Automotive, and a Nurses Assistant program. The heads of the different Co-op programs are Office Education, Pat Bonacor; Distributive Education, Raymond Lawson; Vocational Foods, Louise Rath; Trade and Industrial Education, Robert Wiebers; and Nurses Aide, Joyce McGrath.

Drum Major Jim Waisanen waits at attention for the band to be announced.

Under the direction of Mr. Richard Perkins and Mr. Donald Winter, the 1977 Marching Band had a very busy and eventful marching season. Their activities included hosting The Seventh Annual Southeastern Michigan Marching Festival and participating in the Bridgeport Competition. Both were successes and are planned to be continued next year.

They feel a song in their hearts - Musical Minority performing A Cappella at the Winter Concert.

The Winter, Spring, Pop and Mini-Pop Concerts were the major Dondero Choirs' performances. The A Cappella Choir, under the direction of Mr. Hartsoe, also traveled and performed for many community groups. Musical Minority, a group of outstanding A Cappella members, also performed outside of Dondero. In addition to A Cappella, Mr. Hartsoe directs Freshman and Mixed Choirs, while Mrs. Balmer is in charge of Girls Choir.

Besides learning pieces of music, the choirs worked hard on improving their musical abilities, such as, sight-reading, rhythm and scales.

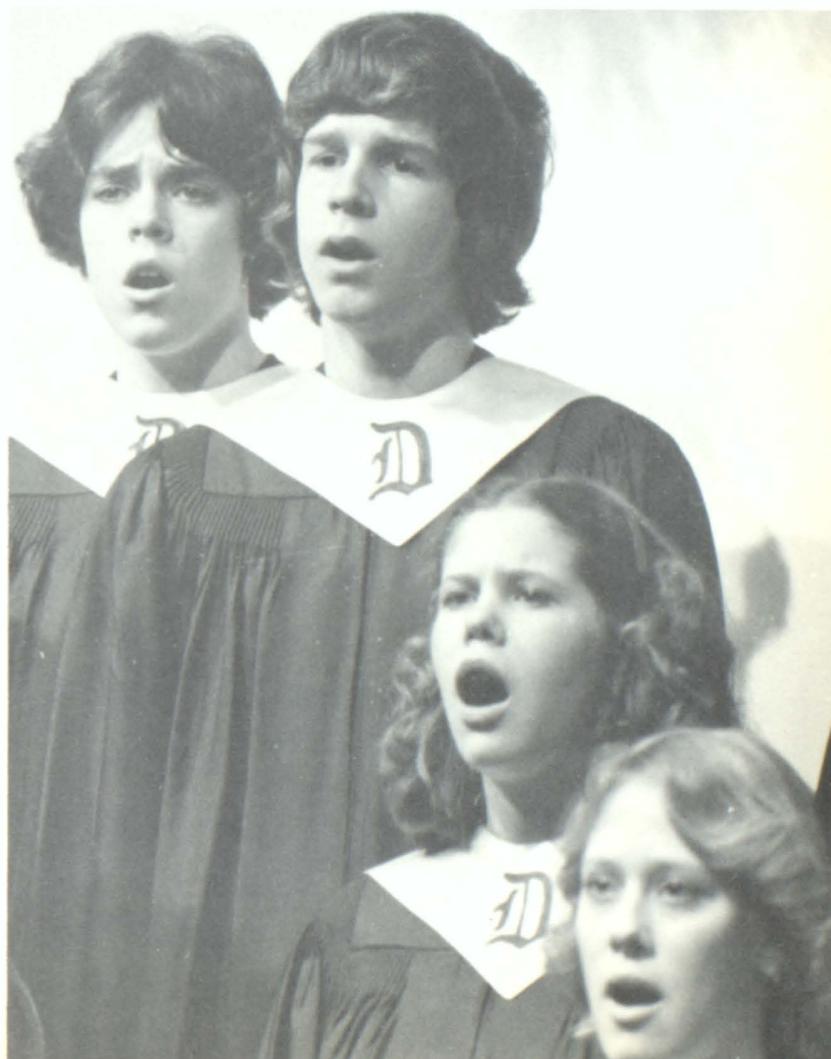

Dondero can be proud of it's ever-improving choirs.

If audience participation can measure the success of a play, then the Drama Club's fall production was a hit. The club's presentation of Agatha Christie's "Ten Little Indians" brought shrieks and screams from the viewers.

The play, an exciting murder mystery, takes place on an island off the English Coast. Ten strangers arrive bringing secrets and murder.

The Drama Club also participated in a mock disaster for Beaumont Hospital, and drama workshops at Oakland, Western, and Central Universities.

The spring musical was the romantic "South Pacific."

Keeping up the high standards set by past Dondero Orchestras is not easy. Yet, this year's Orchestra proved that it's not impossible. Directed by Mr. Robert Brockett, the group performed concerts both at Dondero and away. A trip to New York proved to be a fun, as well as a musically enriching, experience. The musicians were guests of a New York high school where they performed. They also managed to do some sight-seeing during their week-end stay.

This year's officers are President; Martin Rosenzweig, Vice-President; Jessica Broda, Treasurer; Kathy Klingensmith, and Secretary; Cheryl Furlong.

# Art Classes Are Showing Their Talents

Art Classes display their talents in the showcases down on the main floor, in the offices, and sometimes in the library.

With Mr. Fischer and Mr. Retell helping out, the Arts and Crafts students create keychains, mobiles, decoupage, paper mache, pottery, and wind chimes.

In Art I the budding artists make drawings, sketch trees, print letters, paint pictures, and carve soap.

Art 2 students make plaster and clay figures, print T-shirts, carve block prints, and make 3-dimensional animals.

# Student Senate Works Above and Beyond

The Student senate accomplished many things in this 1977-78 school year. The after game dances and the semi-formals, the spirit week containing blue & white, dress up and 50's day, the planting of the 50th Anniversary "Oak" tree, clean up around the school, showing movies like "The Sting" and "Wait Until Dark," and a canned food drive for the poor.

The officers have done a great job of leadership, setting a good example for the whole student body. They are Trisha "Trout" Thompson - president, Maurice Matthews - vice-president, Sherri Yirovec - secretary, Kathy Lawrence Treasurer, Anne McCulloch - parliamentarian and Mr. Rockwell advisor.

Once again the members of Dondero Ski Club headed for the snow covered slopes of Mt. Holly. The group had some very enjoyable times skiing this year.

# NHS Members Set High Goals

Last March 17, 1977 was the honorary induction meeting for the new members of Dondero's National Honor Society. Each year more members are inducted into the National Honor Society. Each student fills out an application sheet to see if they fit the requirements. A Junior must carry a 3.25 grade average and Seniors a 3.0 grade average. Teacher recommendations and service points are also added to obtain the final tally. The group also held their annual Sweetest Day Flower Sale.

Doug Smith, a graduate of Dondero, is a helpful and encouraging sponsor of the Chess Club. Though he only had a seven member team, they fared well in meets and had an enjoyable year.

Although not achieving this goal, the season was a definite success. Many underclassmen gained valuable game experience due to the rash of injuries that hit the Oaks.

There were many awards given to individual players this year. Making the All League Team were Dave Glick, Jeff Wright, and Steve Taylor. Mike Whyard was named Most Valuable Player on offense and Wade Gravlin was honored as the defensive Most Valuable Player. Steve Taylor received the Most Valuable Player award for the '77 season.

Co-Captains Phil Decker, Robert Luke, Dan Stark, and Steve Taylor headed the cast of seniors who played their final season in an Oak uniform. Other seniors contributing were Scott Harris, Bob Cunningham, Brian Wright, and Eric Alexander. Senior Rich Bailey led this year's equipment department and did a fine job.

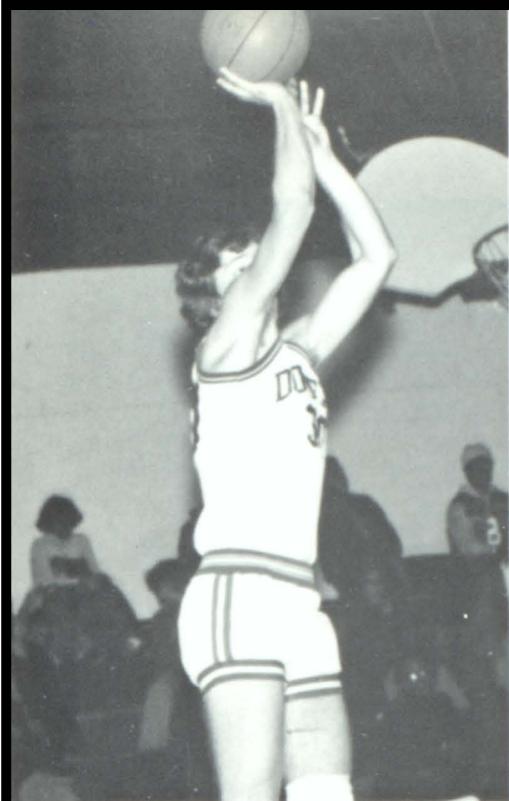

The Oak juniors who received valuable playing time this year were Nick Daws, Phil Overholt, and Chuck Swanson at the forward position and Curt Clary at guard. With this nucleus and other fine players advancing from Coach Bob Eberhardt's Junior Varsity squad such as: Mark Maddox, Tim O'Rourke, Dann Thomasan, Fred Crawford, Andy Stark, and Brian Mitchell, the 1978-79 edition of Oak basketball looks to be in good hands.

Overall Record 8-18

The record of the 1977 Varsity Baseball team does not reflect the talent and ability this team possessed. The Oaks lost 10 of 18 games by 2 runs or less. Because of the loss of Jeff Daws, the Most Valuable Player, and Captain Mark Wood, Coach Boyd had a few spots to fill for the '78 season. Juniors returning from the '77 team included Bill Stewart, Mike Criege, Steve Taylor, Jeff Gardner, Dan Stark, Dave Barrett, and sophomore Nick Daws. With these players and the Junior Varsity squad, the 1978 baseball season looks bright.

1977 was Coach Boyd's 17th season at the helm.

# Homecoming Reflects Spirit of All

Dondero's Annual Homecoming was celebrated on October 14, 1977. Set to the theme of movies, the Marching Band led the parade, followed by the floats, the Oakettes and of course the 1977 Homecoming Queen Court.

During halftime, winners of the float competition were announced. 1st place went to Juniors, whose float was "The Sting", 2nd place went to the Freshmen's float "The Pink Panther Strikes Again", 3rd place went to Sophomores with their float "The Longest Yard", and the Seniors took an unexpected last place for their float "A Star Is Born".

The game ended with a 15-7 victory over Troy Athens.

Steve Taylor and Robin Cameron were crowned King and Queen for 1977-78 at the after-game dance. The Queen's Court consisted of Karen Austin, Patti Doster, Jody Seery and Leslie Whyte. The King's Court included Jeff Gardner, Dan Stark, Mike Whyard and Jeff Wright.

# Save the Last Dance for Me

The Class of 1977 Prom was held at the Royalty House of Warren on June 10, 1977. This year's theme was "The Best Is Yet To Come."

Dinner was served at 8:00 p.m. The rest of the night was filled with fun and dancing, with music provided by "The American Scene".

Before the Dinner-Dance began, the couples had an opportunity to have their pictures taken by a professional photographer, and many did.

After the prom was over some couples chose to continue the festivities by attending parties at their friends' houses.

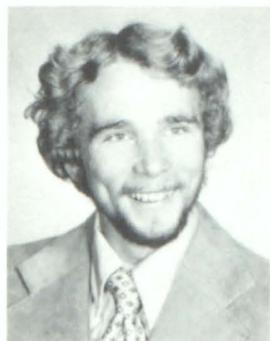

*Mirror, mirror, on the wall. Who's the cutest couple at the ball? Vera Sawchuk and Mike Whyard?*

*LEFT: Jody Sherwin and her date model the latest in tuxes.

# Seniors Cruise Caribbean Instead of Woodward

ABOVE: Rich Bailey and Peggy Allen are ready for an evening out.  
BELOW: Steve Taylor recovering from the night before.

This year, the Seniors went on a Caribbean Cruise. They flew to Miami, stayed there for two days, boarded the Leonardo Da Vinci for five days and spent one more day in Miami before flying home. During their five day Cruise there was a two day stop at Nassau, Bahamas.

On the boat, entertainment was endless. Every evening began with a huge buffet dinner, then a trip to the disco, theater, casino, or swimming pool. All in all, it was a very enjoyable trip and the highlight of the Senior year.

Advisor, Mr. Henry Pishko can't believe he made his first typing mistake of the day.

President Vera Sawchuk and Treasurer Richard Bailey review the class finance book.

On January 20, 1977 the Senior Class of 1978 held a final election to elect their class officers for this year. The winners were announced on January 26, at the Junior-Senior Mixer.

The 1978 Officers are President, Vera Sawchuk; Vice-President, Patti Doster; Secretary, Leslie Whyte and Treasurer, Richard Bailey.

Some of the duties of the class officers are working the concession stands at all home football games, planning Junior-Senior Mixers, raising money for the class with the help of their classmates, running the Senior Mock Election, etc.

As Patti Doster put it, "It was a good experience, I learned to handle responsibilities and I developed self discipline." All the other officers feel the same way about this.

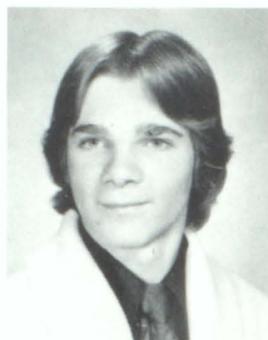

Congratulations to all Seniors of the graduating class of 1978, from your officers.

### Young Frankenstein

Starring Peter Boyle

*"Like one who, on a lonely road,  
Doth walk in fear and dread,  
And, having once turned round, walks on,  
And turns no more his head;  
Because he knows a frightful fiend  
Doth close behind him tread."*

SWIMMERS IN SPEEDO®

SUITS HAVE THE BEST TIMES

Speedo would like to show you a good time this year. So we've designed a line of brilliant new print swimsuits. In a wide range of skin-tight, air-tight, tough-wearing, fast drying and meet-winning designs. More gold-medallists, record-breakers and the U.S. Olympic Swim Team have worn Speedo suits than any other make.

We want everybody who wears one of Speedo's new print swimsuits to go out and have a really good time.

## DESIDERATA

**G**O PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ♫ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ♫ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ♫ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ♫ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ♫ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ♫ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ♫ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ♫ ♫
