Under the direction of Superintendent Lawrence Nichols and Board President Kathleen Penner the Board of Education has continued its pursuit of quality education for its Royal Oak students. As a follow-up to the recommendations from last summer's "Symposium on Secondary Education" many committees worked to further keep up with the trends in public education. One such committee worked on revising the district's education policy. A new policy was adopted. Likewise, further work was completed on a study of the elementary school curriculum. As always the Royal Oak Board of Education has continued to keep its system in the forefront of innovative and creative education.

Led by Ms. Tongring-Wilson and Miss Vela, the National Honor Society was very busy working towards the betterment of our school and community. Activities such as tutoring provided the chance for members to help others and to display their leadership qualities.

To be considered for 1984-85 membership it was necessary to be a junior or a senior, with a 3.2 G.P.A. or better. Participation in extracurricular was also a requirement. It is a high honor but also a great responsibility, to be a part of the National Honor Society.

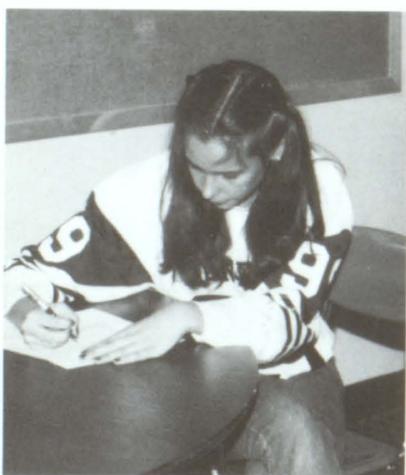

SENATE . . . THE BACK

Senate smiles "prettily."

Mr. Streeter sets a good example?

Pam Gamble works hard to make Dondero the best.

Presenting the 1984-85 Dondero High School Marching Band.

The clarinet section marches in formation.

Scott Suriano conducts with assurance.

The 1984-85 Marching Band season for Dondero was a memorable one. At the Plymouth State Championships, Carl Nielsen and Scott Suriano were voted as best drum majors. The percussion section came in second in its flight and fifth overall. The Marching Band, as a whole, received fourth place, scoring its highest ever.

Carl Nielsen was also voted best drum major at the Durand Invitational.

Overall, this was one of the best years for the Color Guards. Led by Captains Karen Uncapher and Julie Weiss, the Color Guards placed second in their flight at the Clarkston Invitational and third in their flight at Durand.

The Marching Band could not have been a success without their director, Mr. Perkins.

A fine performance by Karen Lodge.

The Symphony Band may not have been great in size, but it was great in performance. They proved it in their Winter and Spring Concerts. The Band was also involved in the collage concert.

The Symphony Band, along with Concert Band and Symphony Orchestra, participated in a bowl-a-thon to raise money for trips. They attended a band festival in Waterford during March and in May, the Band went to the annual tulip festival in Holland, Michigan.

Symphony Band was full of many dedicated students this year which made it all worthwhile.

Theatre Guild is the organization which produces the theatrical productions at Dondero. Students are given the opportunity to participate in acting, technical work, or both. The crews include: props, costumes, sound, lights, make-up, and set.

Funds are raised for the productions by the Theatre Guild. Their advisor is Mrs. Brakeville, without whom all of this could not have been accomplished.

This year's production were: "Heaven Can Wait" and "Brigadoon".

The 1984 Fall Play "Heaven Can Wait," of the 1920's, is the story of a young boxer whose career is cut short when, after a plane crash, he is accidentally presumed dead by a messenger angel and whisked off to Heaven. After investigating, Mr. Jordan, the angel in charge, commands that he be returned to earth. The fun begins when it is discovered that his body has been cremated.

Director, Kathy Thornton, and Student Director, Gina Adamski, worked long hours together with the large cast to make this the best show ever. The production was quite successful and enjoyable for both the students involved in it, and the audience.

A Cappella Choir was hard at work all year, as usual. The students prepared and successfully performed many concerts including Winter Concert, Spring Concert, Collage Concert, and their biggest, The Pop Concert.

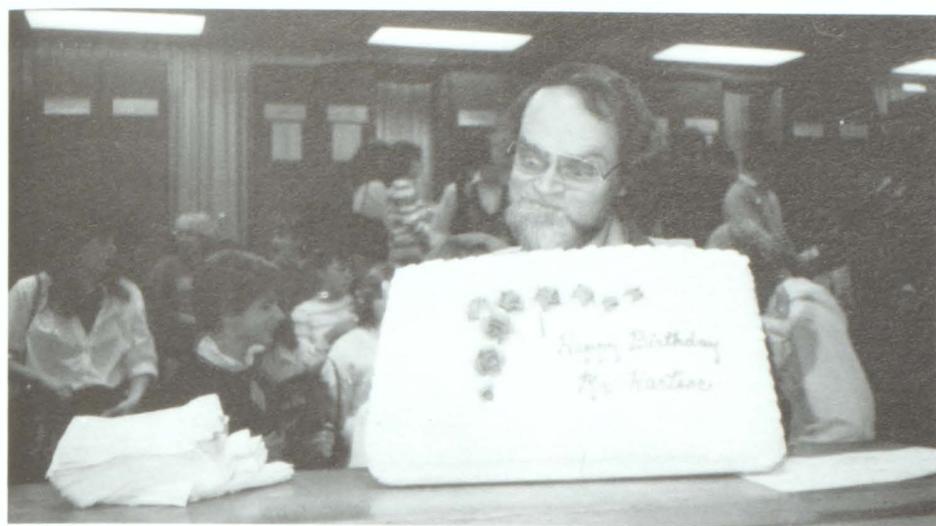

The winter season was a very busy one for A Cappella. The group had a Christmas Party, they went caroling, and sang for the Royal Oak Tree — Lighting Ceremony. Here they met with The Mayor and, of-course, Santa! The choir also performed in a combined concert with Kimball for Christmas, and attended a vocal festival at Marygrove College.

A Cappella could not have accomplished these activities without Mr. Hartsoe — their DIRECTOR, Jan Stewart — their ACCOMPANIST.

The Pop Concert at Dondero has grown from an after school event, to an assembly, to finally what it is now. The present form has been in effect since 1972, and is still going strong.

This year's top soloist was Judy Milliron, the first girl ever to win this spot at Dondero, singing "Total Eclipse of the Heart" by Bonnie Tyler. Carol Christie sang the first foreign language song at Dondero, "99 Luft Balloons" by Nina. Jon Ross performed "Nobody Told Me" by John Lennon, Patty Sutherland — "Straight On" by Heart, and Carl Nielsen — "Turn It On" by Genesis. Others were: Lonnie Stimplis — "I Only Want To Be With You", Jackie Campbell — "Bébé Le Strange" and Scott Suriano — "Don't Fear The Reaper".

Keith Stafford was the first instrumentalist-soloist in the history of The Pop Concert, performing an original.

The choir was challenged by many new styles of music this year: 122 The Tubes, The Police, Def Leppard and many more.

Musical Minority is a group of fourteen students selected by audition from A Cappella Choir.

Other than school concerts, Minority has many out-of-school engagements. They started the season off by attending a Madrigal Festival at Kimball. Minority members perform at various city activities and organizations. They perform mostly madrigal and classical music as well as contemporary music.

This proved to be a very productive and rewarding year for Minority members.

VARSITY FOOTBALL . . .

This year's Dondero Varsity Football team didn't post a very good record. The Oaks finished the season with a 1-8 record, but finished the season off with a triumph over Kimball. The Team kept a great attitude throughout the year. They also had tremendous enthusiasm.

This year's sport banquet everyone got an award. Brian Borski made the All-League Team as a running back, he also was offensive MVP this year. Sean Waymaster was the defensive MVP. Then there was the Most Valuable All Around Award. Considering the team was so close throughout the year, the team voted "The Team" for that award. Better luck to next year's team!

The Dondero Oaks on their way to victory!!!

The Dondero Oaks toppled Kimball at the Dome 14-0. After a hard hitting first half, both teams went into the lockerroom at a scoreless game. The second half was different. Back to back catches by Jackie Allen and Chris Braim put the ball on the 10. The next play Brian Borski scampered around end for Dondero's first score. The Point After failed. With four minutes left in the game, Dave "Lawrence Taylor" Wilusz intercepted a screen pass which knocked Kimball's drive cold. A few plays later Joe Russell scored the second touchdown on a one yard plunge. Then Tim Lau rolled out left and passed to Borski for the two point conversion. That seemed to be it for Kimball!

Coach McElroy said that he's seen an improvement in these athletes from their freshmen year until now. Hopefully they'll continue to improve even more for next season. Possibly many of the J.V. players will become starters for next year's Varsity team.

THE OAKS SHOOT FOR SUCCESS

The 1984 Girls' Basketball Team had a rebuilding season. They finished the season with a 6-15 record. The team was composed of juniors and three returning seniors. Debbie Harlukowicz was voted M.V.P. while at the same time being awarded First Team All-League. This year's captains were Sarah Reyman and Kim Geer. Next year's captains will be Kim and Debbie Harlukowicz. The Oaks were coached by Stuart Asch, who was also assisted by Ken Noble and Jim Thomas. The team is looking forward to a better season next year with the return of many of the starting players.

Mr. Noble was the Head Coach of course, and he did a great job of coaching the Oaks throughout the season. With help from outstanding players such as Jill Majors, Melissa Schell, Libby Masters, and Kim Gauthier. This made the season successful and fun!

HARRIERS PUT BEST FOOT FORWARD

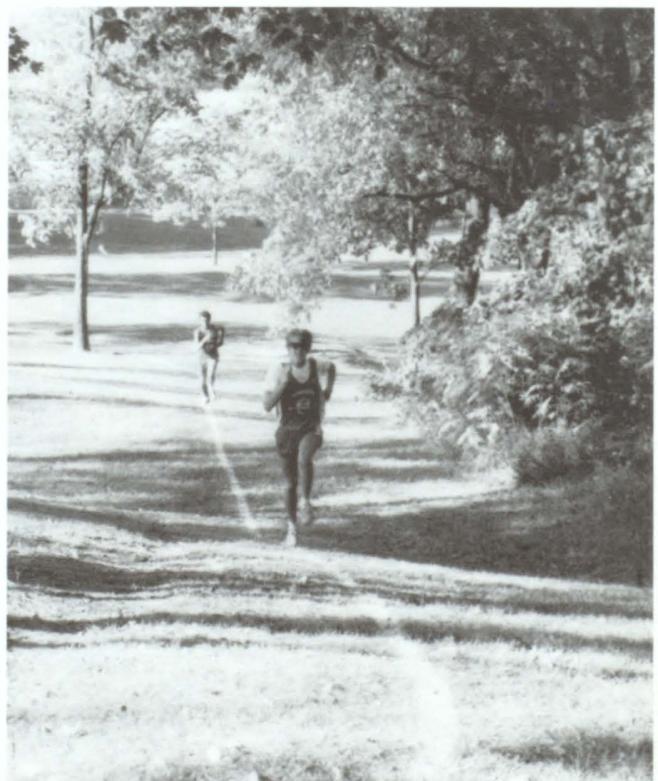

They were dedicated and they were awake sometimes as early as 6:00 on Saturday mornings to trek to the school's parking lot for an Invitational meet. They were the 1984 Boy's X-Country Team. The two senior captains, Bill Carney and Tim Henning, offered each other stiff competition. Bill missed being All-League by 2 places and Tim qualified from the Regional Meet to move on to the State Meet, where he ran 60th. Tim was also the MVP. Jerry Lukas was injured and couldn't finish the season. Future stars for the Oaks are: Rob Wilusz, Jerry Lukas, Conrad Orloff, and Chris Seppanen. Coaches Leenhouts, Swanson, and Ballinger did a fine job with the team!

Most athletes work hard, but over the summer? The Girls' Cross Country Team wanted to be ready for the stiff competition that the season offered. Practice started in early August for the Oaks and consisted of many miles and stops for water on hot days. As the weather grew colder the girls ran faster. Deanna McVicar survived an ankle injury to come back in the League Meet. Deanna was All-League, All-Region, and ran 9th in the State Meet, just 2 places away from All-State. Mary Janik and Mary Dixon were first year runners and improved with every meet. Julie White ran consistently throughout the season. The team was coached by 3 men who knew what they were doing: Bill Leenhouts, Bob Swanson, and Rod Ballinger. The team also attended camp for a weekend that helped to ease the pressure midway through the season.

SOCER SEASONS . . .

The 1984 Boys' Soccer Team had a tough season only winning 3 of its 19 games. However, the players steadily improved throughout the season. Each game was a new challenge for them. Matt Crippen, Dave Reichel, and Sophy Sou were named outstanding players. Sophy Sou was also honored by making the All-League selection, an accomplishment to be proud of in the tough MSAA League. Coach Foster and Coach O'Brien were a major part of the boys' season, and they deserve much credit.

BACK ROW: Coach O'Brien, Dan Roy, Mike Belling, Rob Schroeder, Jim Sandzik, John Schroeder, Josh Doster, Coach Foster. RAINED UPON!

The 1984 Girls' Soccer Team was two years old last season but was already showing much improvement. Two games were won under the influence of tri-captains Brigitte Biondo, Amanda Wozny, and Emily Warren. Leading Scorer, Emily Warren was named to the All-League 1st Team along with Michelle Wemple. The girls stayed tough like Laura Harvey, Alyssa Michaels, and Emily Warren, the three "Iron Ladies." Coaches Heckman and Storck did a fine job with aid from Lisa Harris and Darren Miller, the managers.

The Dondero Golf Team didn't have too good of a record, but they were competing in the toughest league in the state. The team posted a 2-11 record with back-to-back wins over Hazel Park and Warren High.

PRACTICE MAKES PERFECT!

The Girls' Varsity Swim Team swam their way to a 4-9 record, while winning the first League meet in five years against Troy Athens. The Oaks were led by senior captains Jamie Bolio, Lori Cummins, and Adrienne Strong. Adrienne, Kelly O'Rourke, and Heather McGaughey excelled in diving. Outstanding swimmers were Amy Miller and Jane Callan. Heather Bibby was voted M.V.P. for the second year in a row. Sue Gendron and Kevin Ryan coached the girls with help from Cathy Miller.

This year's Varsity Swim Team had somewhat of a disappointing season. Although the Oaks had a good turnout of about 20 swimmers, they lacked divers during most of their season. Thus, making it even more difficult to win when it came to dual meets. Outstanding swimmers this year included Aaron Young and Tim Bush. Next year's team will have many young swimmers coming up that should be good, and hopefully bring more victories! Coached by Kevin Ryan and Steve LaJoie, the team, led by senior captains Tim Bush, Aaron Young, and Tim Brown, put a lot of hard work and practice into their season. Even though their record didn't show it, the Oaks kept their spirit high and they never gave up.

GYMNASTS SCORE A "10"

The Gymnastics Team had a very competitive season, winning a majority of its meets. Last year the girls finished the season with an overall record of 11-2, and the League Championship. This year's team was very young, with only one returning senior.

Outstanding performances were by Becky Olkowski, Heather Bibby, and Heather McGaughey. The girls practiced hard and put a lot of dedication into their season. The gymnasts were coached by Mrs. Olkowski and Tammy Olkowski.

BACK ROW: Tammy Olkowski, Heather McGaughey, Shannon McDonald, Cathy Williams, Lori Coatta, Mrs. Olkowski. MIDDLE ROW: Brigitte Biondo. FRONT ROW: Kelly O'Rourke, Michelle Bangert, Heather Bibby, Beck Olkowski, Sue Muoio, Amy Miller, Elaine Cook.

The 1985 Varsity Wrestling team improved immensely compared to last year's team. Early in the team's competition, it traveled to the Andover and Madison Tournaments placing 4th in both events. Dave Burnard, Kurt Howell, Dave Simon, and Lonnie Allen served the team well as captains as they each excelled in their weight classes. The team placed 5th in the League. Dan Simon, 138 lbs., won, Kurt Howell, 198, was 2nd, Dave Burnard, hywt., was 3rd, and Russ Unger, 185, was 4th. The proud coaches were DeGain and Amato.

BARICH'S AND BOYD'S "SCRAPPY" OAKS

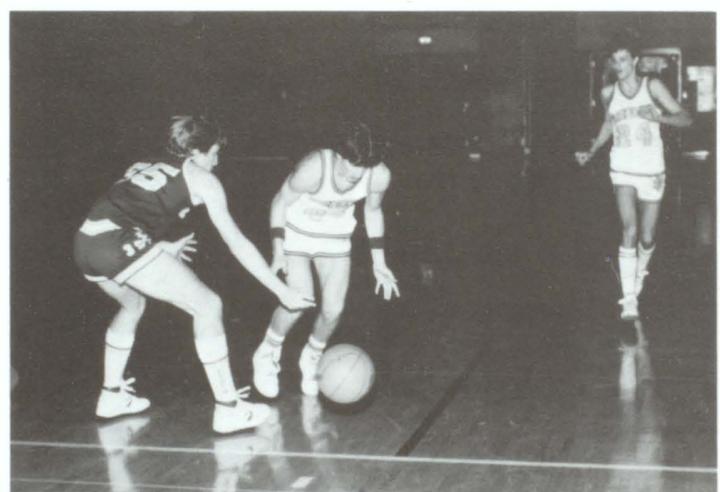

The Dondero Oaks had a better season than expected. The Oaks started out tough with upsets over Rochester, and Southfield Lathrup, putting the team in contention for league champs. But near the end of the season the team seemed to be whipped. Some of the outstanding players on the team consisted of Brian Borski, Tim Lau, Jackie Allen, Bill Prevost, and Bryan Boswell. Good Luck to next year's team.

Back Row: Coach Boyd, Mickey Johnson, Pete Duffey, Paul Cantrall, Zane Branzei, Les German, Bryan Boswell, Dave Bridgewater, John Davis, Eddie Araya, Mgr. Mike Pirtle, Coach Barich. Front Row: Bill Prevost, Brian Borski, Jackie Allen, Tim Lau, Lee DeVries.

J.V. FINISHES STRONG

The Dondero J.V. Basketball team had a very upsetting season only winning 4 games. The team improved very much toward the end, Scoring 60 to 70 points a game, and a big triumph over Ferndale. The team was led by Matt Crippen and Mark Wolfe.

Back Row: Coach Eberhardt, Mark Wolfe, Sam Lynch, Steve Gary, Ernie Bastian, Steve Hatcher, Mike Delavan, Pat Russell, Jon Sebastian, Scott Nason, Darrin Millar. Front Row: Danny Strange, Matt Crippen, Kelley Towery.

VOLLEYBALL SPIKES A GOOD GAME!

The Girls Varsity Volleyball Team finished its season with a few more losses than it had hoped for. The team was composed of young athletes; 1 sophomore, 5 juniors, and only 4 seniors. Having such a young team will, hopefully, bring more victories next season. First year Varsity coach, Pat Lodge, did a fine job along with help from senior captain Martha Chamberlain, and junior manager Becky Wolfe.

BACK ROW: Sue Antonick, Kim Ballinger, Donna Harlukowicz, Cindy Alexander, Debbie Piceu, Steve Veillettee. MIDDLE ROW: Dawn Januzzi, Andrea Morse, Karen Lodge, Renee Gross. FRONT ROW: Amy Hall, Jenalyn Elicanal, Kelly Pyykkonen.

Under the direction of first year coach, Steve Veillettee, the J.V. Volleyball Team learned more than the basic fundamentals which are necessary to have a winning team. This year's outstanding players were leading spiker Jenalyn Elicanal, and leading setter Karen Lodge. The team had many talented athletes who proved that hard work pays off. The girls did a terrific job in the Shrine Tournament, taking second place out of eight teams.

VARSITY SOFTBALL: LEAGUE CHAMPS

The Varsity Girl's Softball Team captured the MSA League Title but were eliminated in the District Finals.

Martha Chamberlain, Joni Shimshock, Debbie Harlukowicz, and Tracy Eighmey were selected to the All League Team. Martha was also chosen the MVP.

The Oaks were coached by Denise Weiss with Laura Parker and Diana Jakubiec as managers.

Because the team was young, with only four graduating seniors, Coach Weiss expects the 1985 team to be even more successful.

BACK ROW: Michelle Schloh, Jamie Bolio, Tari Trawinski, Debbie Harlukowicz, Martha Chamberlain, Pat Moulis, Tracy Eighmey, Donna Nelson, Coach Weiss. FRONT ROW: Kristin Farlow, Cindy Shields, Joni Shimshock, Sarah Reyman, Sandy Cummins, Kim Geer, Sara Makuch.

The J.V. Baseball team had an outstanding season posting a 12-5 record and finished second in their league. Leading the Oaks were Bryan Boswell, Keith Russell, John Davis, and Joe Bedford.

This year Coach Ballinger completed his Baseball coaching career, containing ten years at freshmen and three years at J.V., finishing with a total winning percentage of .700 over his thirteen years of coaching.

VARSITY BASEBALL SUFFERS . . .

Dondero Varsity Baseball had a season that hadn't been expected. The team had plenty of talent but just couldn't put it all together every game. That's what kept the team from attaining the league championship. In the Districts the team fired up and beat Birmingham Groves 7-4. Then the team played Brother Rice and lost a tough one, 3-2. There was one All League player, John Unthank who pitched well for the Oaks throughout the season.

Mr. Boyd climaxed his Varsity Baseball coaching career with this team.

BACK ROW: Coach Boyd, Chuck Wolfe, Les German, Jason Wright, Kurt Gross, Drew Dondero, Kent Wentzel, Steve D'Arca. FRONT ROW: Bill Wilson, Tim Bush, Brian Borski, Bill Prevost, Tim Lau, Dave Wilusz, Ken Murphee, John Unthank.

The J.V. Softball team had a very successful season. Coached by Pat Lodge, the Oaks were 12-9 overall, and 7-6 in the League. The Oaks also had a strong defensive and a strong offensive team, with each player contributing greatly. The team managers were Renee Nickel and Cathy Scott. The Varsity Coach expects many of the J.V. players to try out for Varsity to add even more talented athletes to the softball program.

DONDERO'S TRACK TEAMS . . .

The 1984 Boys Track Team didn't have one of its better showings. The team was 1-7 in dual meets and placed 8th in the League meet. The team captains were Dan Bartindale, John Breck, and Dave Ross, Dan was also the MVP. A school record was achieved in the inaugural event, the 2-mile relay. Dan Bartindale, John Breck, Tim Henning, and Bill Moore were the members of the relay team. Although the team sustained the season with spirit it has high hopes for next year. Coach McElroy took the reign once more with help from Mr. Swanson, Mr. Deibel, and Scott Anderson.

The 1984 Girls' Track Team suffered another season of low numbers and numerous injuries. However, its spirits never wavered throughout the season. The team was young, consisting of three juniors, three sophomores, and five freshmen. Out of eleven girls only five were returning from last year's team. Cindy Mullas earned the top berth for sprint events and gained many points for the Oaks. Deanna McVicar placed 8th in the Regional Meet of the 2-mile and earned MVP honors. Melanie Bossenberry, Munira Husain, and Julie White supported the team with their variation of talent. Newcomers Karen Bridgewater and Christy Paden also contributed with their efforts. Mr. McElroy coached the team with assistance from Mr. Swanson.

THE OAKS SERVE HIGHER AND HIGHER

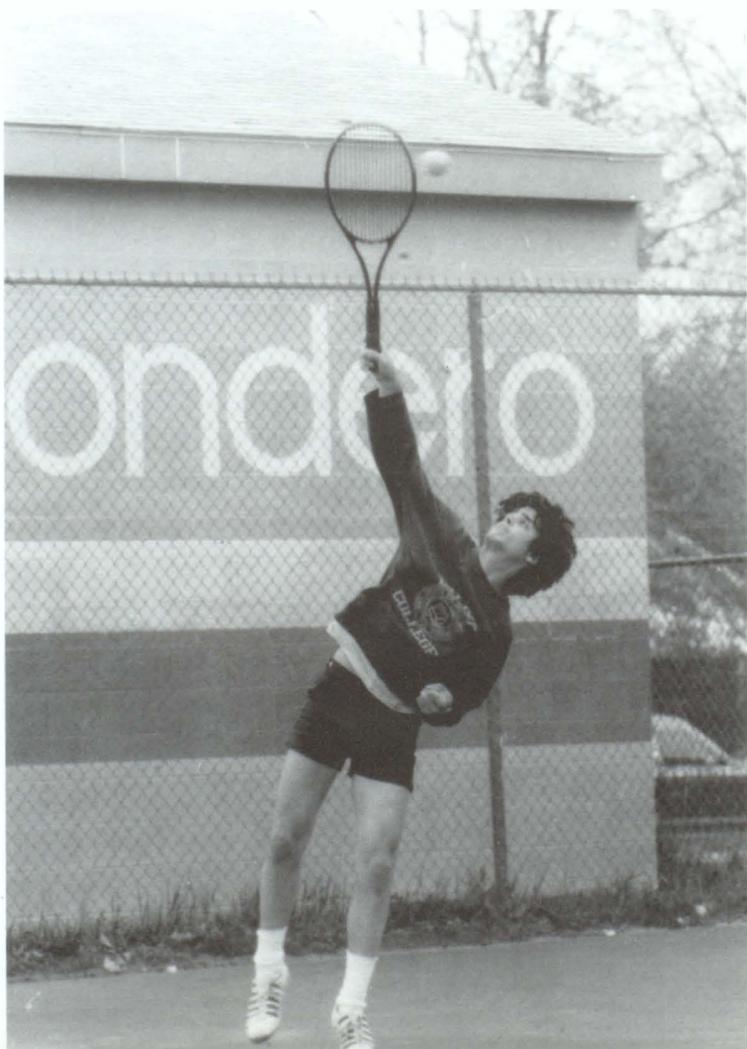

The 1984 Boys' Tennis Team fared very well last season as they swung their way to a 5-9 record. The Oaks competed in one of the toughest leagues in the state. However, their sweetest victory came against cross-town rival Kimball. The team consisted of mostly seniors and was led by co-captains Steve Hadley and Mark Handley. M.V.P. honors were bestowed upon Jeff Synowiec. All said and done, the Oaks did a fine job with their rackets.

TENNIS ANYONE?

BACK ROW: Martha Chamberlain, Coach Tomey, Kris Pyykkonen, FRONT ROW: Jenni Miller, Lara Szymon, Kelly Pyykkonen.

The 1984 Girls' Tennis Team lacked participants that could have added much depth to the team. The hardy girls that came out to make up the team's roster were four seniors, one sophomore, and one freshman. Martha Chamberlain was honored with MVP and All-League recognition as she swung her way to the Regional Semi-Finals. Although the season didn't go as hoped, the team was unified and had a lot of fun.

DONDERO'S FINEST

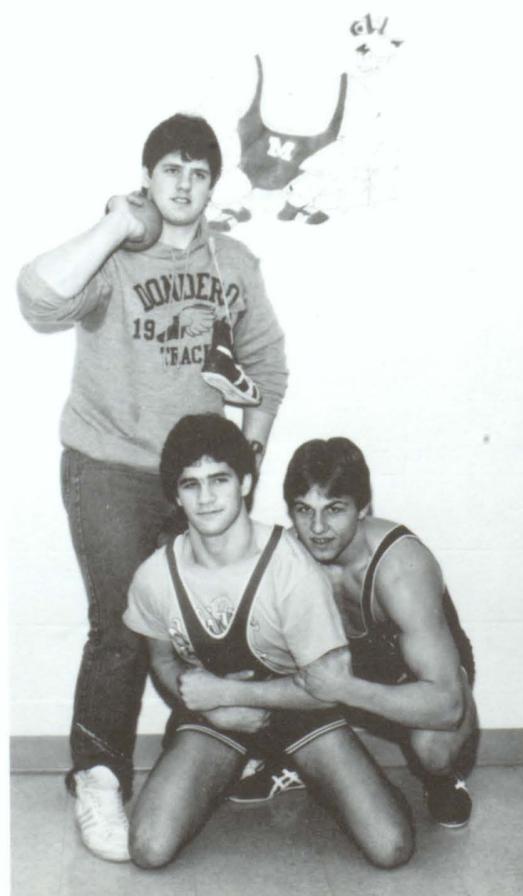

Junior Debbie Harlukowicz (left) was outstanding in both softball and basketball. As a sophomore shortstop, Debbie made the All-League First Team, the All-Region First Team and was All-State Honorable Mention. She was also a team leader in offensive statistics. On the basketball team, Debbie had a slow start due to illness, then halfway through the season she sustained a severe ankle injury. Even though Debbie missed four weeks of conditioning and competing, the forward and center led her team as MVP and also made the All-League Basketball Team. Without a doubt, Debbie was one tough player in each of the sports she endeavored.

Senior Martha Chamberlain (right) was outstanding in three sports: softball, volleyball, and tennis. As a junior, Martha gained much recognition as a pitcher for the softball team. She pitched a record of 9-1 in League games and was also a leader in offensive statistics. Martha was voted MVP and made the All-League First Team and the All-Region First Team. In the fall of her senior year Martha continued on as the number one singles player of the tennis team. In a tough MSA League she placed third. Martha achieved a spot in the Regional Meet as she advanced to the semi-finals. In Martha's second sport she was again voted the Most Valuable Player. During the winter, Martha keeps in shape with volleyball. Martha, as the sole captain, played hitter, spiker, and setter. She displayed qualities of strong leadership, responsibility, and was one of the most dedicated players on the team. Martha would be a strong asset to any team in the League and has the potential for All-League selection for the volleyball team. All said and done, Martha Chamberlain was a very talented athlete who was willing to put in the hours of dedication that make champions.

Senior Dave Burnard (left) was selected as the outstanding track member. As a junior, Dave excelled in the shot put and was 3rd in the League Meet. Dave's personal record of 50' was the farthest throw at Dondero since 1968. Dave only has 5 more feet to throw before he obtains the school record. Dave's coach said that Dave shows great promise as a State qualifier in 1985. In the winter Dave keeps in shape by wrestling, competing in the heavyweight class. Dave has one of the best records on the team. Dave placed 3rd at the 1985 League Meet, his performance hampered by a sore back. He was also 1st in Lamphere and 2nd at Andover. Dave was a very strong member of the wrestling team and well qualified for the position of captain.

Senior Kurt Howell (right) also a captain of the wrestling team, was selected as outstanding because he too excelled in the 198 lbs. weight class. Kurt placed 2nd at the League Meet in a grueling match.

Junior Danny Simon (middle) was rightly selected as outstanding member of the wrestling team. Throughout the season, Danny chalked up many first places in the 138 lbs. weight class. His accomplishments include a 3rd place in the Dondero Tournament, 2nd place at Oakland County, 1st place at Andover, and 1st at the League Meet. Only a junior, Danny has another spectacular season to look forward to!

ATHLETES ARE . . .

Senior Brian Borski (left) was selected as an outstanding member of both the football and the basketball team. Although the football team didn't win many games, Brian enjoyed a fulfilling season in one of the sports he enjoys the most. Brian led the team in more ways than one, as he was the captain and voted MVP of the offensive team. In his second year of Varsity Football, Brian was honored with All-League selection, playing his fine position of running back. With no rest, Brian dribbled his way into the basketball season. Again, he was voted captain in his second year on the Varsity squad. Playing guard, Brian had the best shooting percentage in League games. Brian was a fine competitor and thoroughly enjoyed what he was doing.

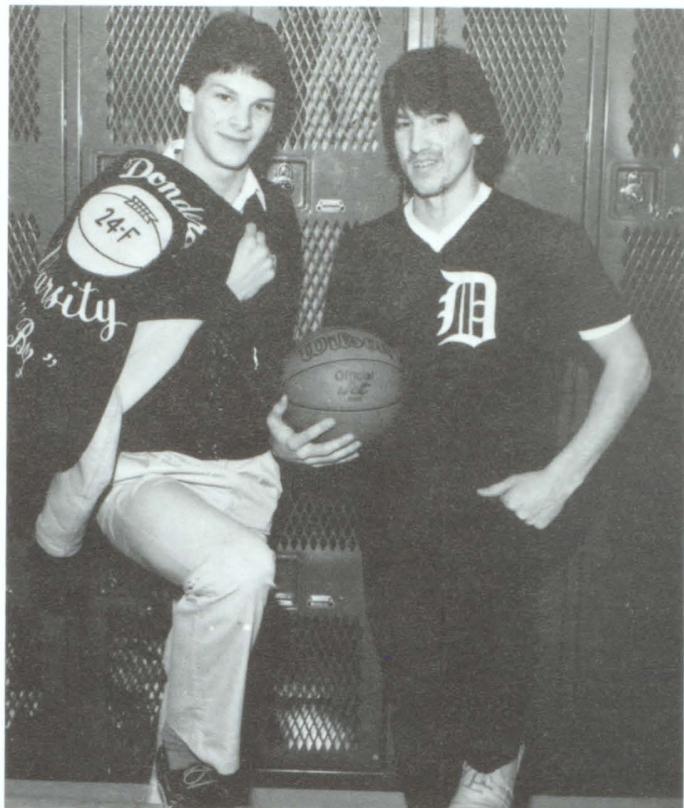

Senior Sean Waymaster (right) was selected on his merits as A Varsity Football Competitor. Sean played football for five years, starting his career at Lake Orion Jr. High East. As linebacker, Sean was voted MVP of the defensive team. Not only was Sean outstanding on the football field, but he also excelled in the classroom, carrying a GPA of 3.2 for his senior year.

Senior Deanna McVicar (left) was selected outstanding in both cross country and track. Her last year of high school competition saw her off to a slow start when her ankle was injured in only the second meet of the year. Out of action for two weeks, Deanna then returned to a surprising season, placing All-League, All-Region and All-County. At the State Meet, Deanna placed 9th, two places away from All-State. As a member of the Varsity Cross-Country Team she served as MVP and captain for the last two years. Her coach commented that Deanna was one of the best captains he has ever coached. Also, Deanna competed in the Junior Olympics with a local girls team winning the State Meet. The team then took 2nd at the Regional Meet, qualifying for the Nationals in St. Louis — where over a hilly and muddy terrain, Deanna placed 35th. As a junior captain, she won her third letter in track, competing in the $\frac{1}{2}$ mile, the mile and the 2 mile runs — the latter her favorite. At the League, Regional and County track meets, Deanna again fared well, placed 8th in the 2 mile run.

Sophomore Michelle Wemple (right) was selected as an outstanding soccer player. Her tall, agile frame was well suited for the demands of a sport she took up only a few years ago. Michelle joined the Royal Oak Youth Soccer Association perfecting her skill until she entered Dondero. Then she made the Varsity team and earned a spot on the All-League First Team. Michelle played her prestigious sweeper back position very well, and was the kind of player any coach would build his defense around.

... THE CREAM OF THE

Junior Bryan Boswell (left) and Senior Tim Lau (right) were selected as outstanding basketball players. Bryan played forward for the Varsity team for the past two years. He has been playing basketball for the past 5 years, and has excelled throughout his high school career — on and off the court. Bryan is a possible candidate for MVP in 1985-1986. Tim has also been playing basketball for a few years, making the Varsity team as a junior. His aggressiveness and strength carries him through the rigid demands of daily practice and wearing games. In Tim's laid back appearance, one cannot see the true athletic competitor that lurks within. He too is a candidate for the MVP of the 1984-1985 team.

Senior Becky Olkowski (left) was selected as the outstanding gymnastics performer. She made the Varsity squad all four years of high school and was captain for three of those years. Becky has excelled on the bars, the beam, and in the floor exercise routines — showing the MSAA League what she was made of. During her long, hard hours of practice, Becky took time out to help her teammates perfect their routines — never for a moment did she worry that they would score higher. People say that nice guys/girls finish last — not so with Becky Olkowski!

Sophomore Heather Bibby (right) was selected as the outstanding swimmer. Heather's career didn't begin in high school, it started many years ago when she was only 5 years old! Since then she has improved her times and was down to one minute in her favorite event — the 100 Freestyle. Heather was also the MVP for the past two years being the only League qualifier last season. With two more years left, Heather's prospects for the State Meet are very good. Best of luck!

Not pictured: Emily Warren. Emily was selected for her service on the soccer team. Emily, key player at midfield, was voted the MVP for the past two years. Although the team was young, she made the First Team All-League. Emily has the technique, speed, and endurance that it takes to make a great soccer player.

M.S.A.A. LEAGUE!

Senior Tim Bush (left) was selected as the outstanding swimmer. Tim lettered all four of his years at D.H.S. He was the MVP for the last two years and rightly so. Tim was a very hard swimmer and made use of his strength by bringing all of his times down. His senior year he took on captain's duties, not only setting a fine example but he also helped the other boys. Tim wrapped up a fine season with a fine performance at the League Meet where he won. Tim's determination paid off in the end making himself known and his coaches proud!

Senior Scott Suriano (right) was selected for his performance with the tennis team. Scott spent his Spring Season on a court, racquet in hand, swinging away at yellow balls. His hard work and dedication paid off as Scott played on the Varsity team for 4 years. When he was a Junior, he held the #1 Singles spot. Certainly the most valuable player, Scott was chosen to lead his team as captain for both his Junior and Senior years.

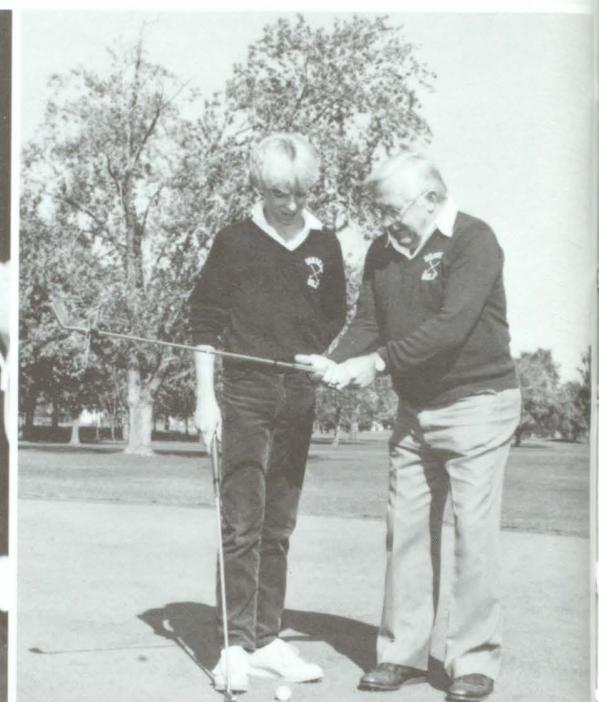

Senior Jim Curtis (left) was selected as the most outstanding golfer. He has played golf for the last three years excelling in his Senior year to the honored spot of team captain. Jim not only was the MVP but he also medaled in all but two matches in the 1984 season. He was also Honorable Mention for All-League. In the MSAA League up against boys from schools such as Groves and West Bloomfield, not to mention Athens, Jim did a very fine job, showing his opponents that the most important thing in golf is to have the lowest number of strokes.

Senior Tim Henning (middle) was selected as the outstanding runner on the cross-country team. He shared co-captain honors but was the sole MVP. As the season progressed, Tim's places got better and his times dropped. At the Regional Meet Tim qualified to go to the State Meet where he placed 60th. He has only been running cross-country for the last few years, however he was on the track team where he helped set the record in the 2-mile relay.

Junior Sophy Sou (right) has been selected as the outstanding soccer player. Just a glimpse at Sophy will tell one that he spent many hours working at what he enjoyed most. He has been playing on the Varsity team since his freshman year. Sophy made the All-League team and was also bestowed with MVP honors, playing a strong defense.

Not pictured: Senior Dave Simon, another outstanding wrestler, had a good season until his knee was injured in the middle of a winning match. Dave was 2nd at both the Madison and Lamphere Tournaments, and took a 3rd place at the Dondero Tournament. As captain, Dave continued to cheer his team on to a 5th place finish at the League Meet. Dave was not only a great wrestler — but also a great guy!

Carl Nielsen was also selected outstanding for his participation in Theatre Guild. Carl has been a Theatre Guild member since ninth grade and has been in the plays every year since. He is involved with the music department also and has been successful in both areas.

Mike Pirtle was selected Outstanding in Business Ed. Mike is a "A" student. He is very courteous, pleasant, thoughtful, considerate and willing to help anyone who has a problem.

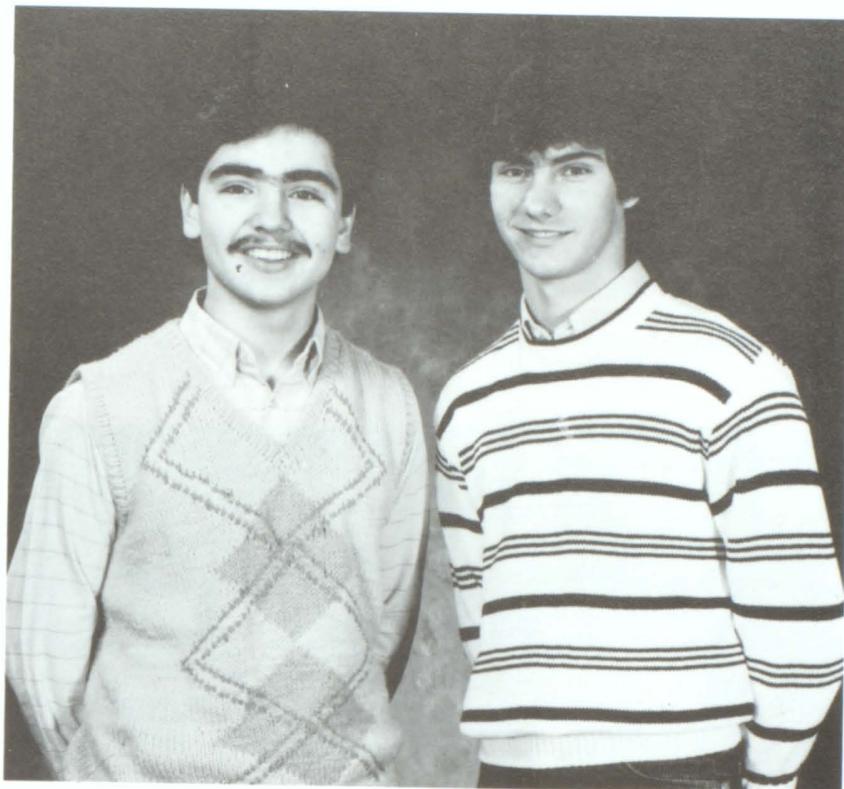

Lana Savino was also selected Outstanding in Business Ed. She has taken 2 business classes each of the past several years and has a great aptitude for working with others and is a fine example of a mature capable young person studying in the business area.

Lee DeVries was selected Outstanding for Math. Lee, except for one semester which he earned a "B", has gotten all A's in his four years of Honors Math. He is currently studying Calculus, a college course and maintaining his "A" average. Lee's SAT score in the Math section was 730 which puts him in the 1% of all college bound students. Likewise, his ACT score was 33 out of 36, not far from perfect.

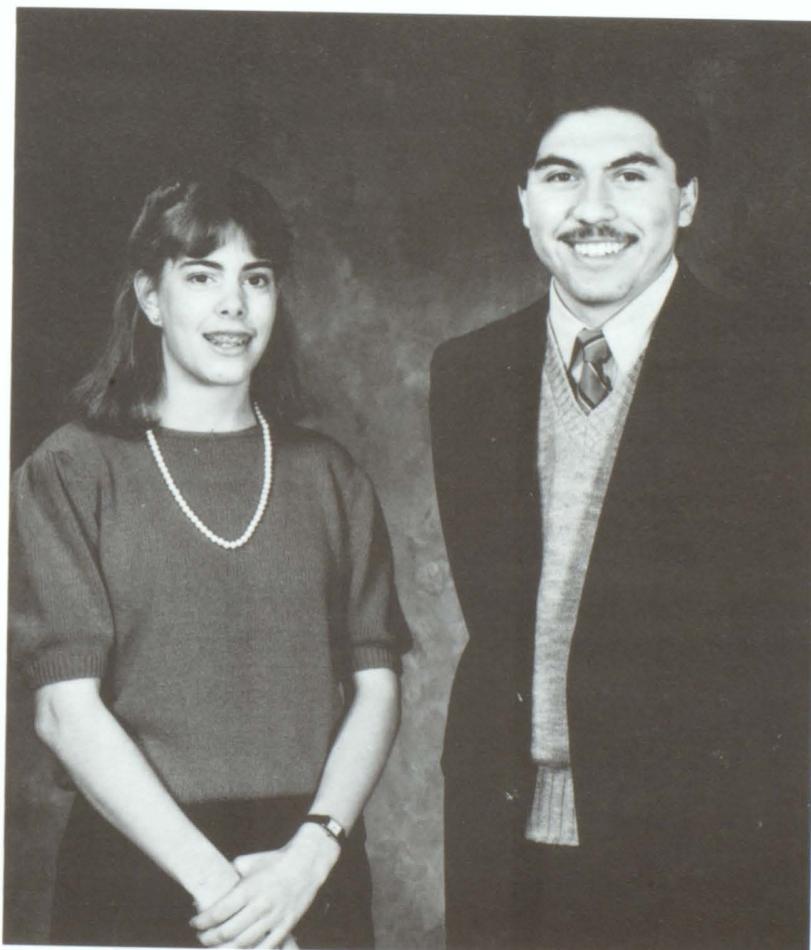

Donna Kuzdal was selected Outstanding in both Math and Science. She has scored in the top 10% of students who have taken the Michigan Math Test in each of the last two years, she scored in the top 40% nationwide in the Math sections of the ACT and SAT. She has never received less than an "A" in 8 semesters of honors math. In science she was selected because of her reasoning abilities, mental agility, intellectual curiosity and math skills and is able to solve a wide variety of problems quickly and accurately. She and her lab skills excel.

Rick Trevino was selected Outstanding for being "Member of the Year" for the Boys and Girls Club. Rick was also among 3 finalists selected from 12 midwest Region. Being a Regional finalist placed him as one of the top 15 youths in the nation out of 1,200,000 Boys Club members. He's been a member of the Boys and Girls club for six years. He currently is employed there as the Gameroom Supervisor, an area of the club that has activities for 6 to 9 year olds. He has served as a volunteer in the Academic Tutoring Program, the Big Brothers Program, and in coaching organized athletics for younger club members.

John Breck was selected Outstanding for his achievements in Art. John has been in art for his 4 years. He has gotten "A's" for his final mark. John plans to go to Wayne State, or Eastern Univ. He hopes to get a bachelor of Arts degree in College. For a future career he hopes it's in the Art field.

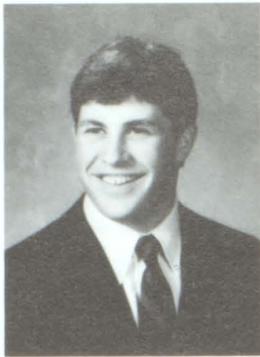

Kris Farlow was selected Outstanding for her work in a Foreign Language. She is a 4th year French Student, and the French Club's current president. Kris has been described as a leader in class participation, and a big help to those students with lesser ability. She is a fine student in other areas, and has been on the softball team since her Sophomore year. Kris has been a valuable addition to Dondero's student body.

Marc Varnum also was selected outstanding in Spanish. During the four years Marc has had Spanish he has never failed to complete assignments. Marc assumes responsibilities without questions and does careful, thoughtful work. He is also very pleasant and appears to have a mature outlook on whatever the situation.

To All the Senior Guys: Thanks for nothing!!! From: All the Senior Girls

You're making plans for college. With the rising cost of tuition, books and other expenses, you may need to borrow some money.

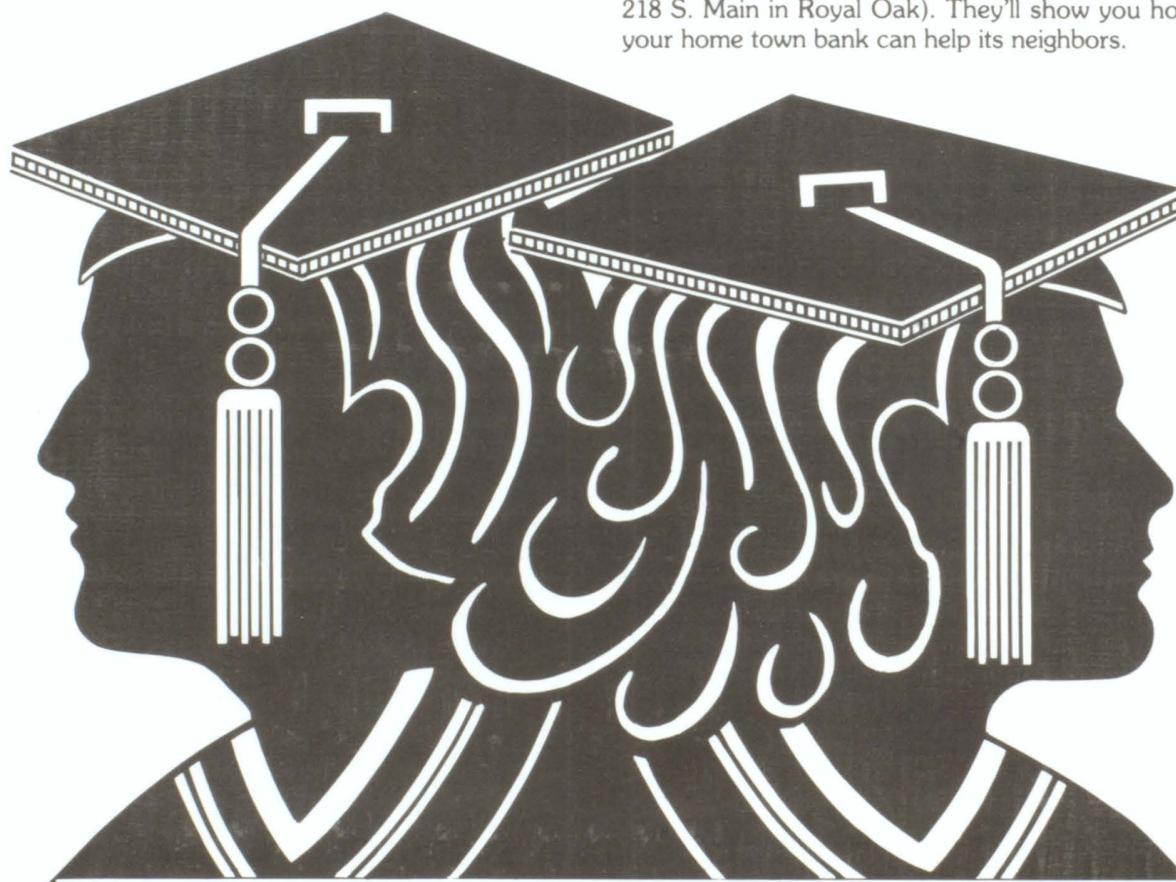

But, who would loan money to a student...

We will. We're your home town bank — The National Bank of Royal Oak. We have money for low interest Guaranteed Student Loans. Full time undergraduate and vocational students who qualify may be able to borrow up to \$2,500 for an academic year. Graduate and professional students who qualify will be able to borrow up to \$5,000 for an academic year. We also have low interest, Guaranteed Student Loans for half-time students.

As your home town bank, we want to make sure our Guaranteed Student Loan Money goes to our customers, and to students who qualify in the communities we serve.

Ask one of our Student Loan Counselors for details.

They can tell you how to qualify for a Guaranteed Student Loan, what you can borrow, the low interest you'll have to pay and how long you have to repay your loan. Call 399-5200 for an appointment with one of our counselors (at our Consumer Lending Center, 218 S. Main in Royal Oak). They'll show you how your home town bank can help its neighbors.

Creating a yearbook takes a great deal of time, patience and dedication. The fact that the book will be enjoyed by all you in the years to come makes it all worthwhile.

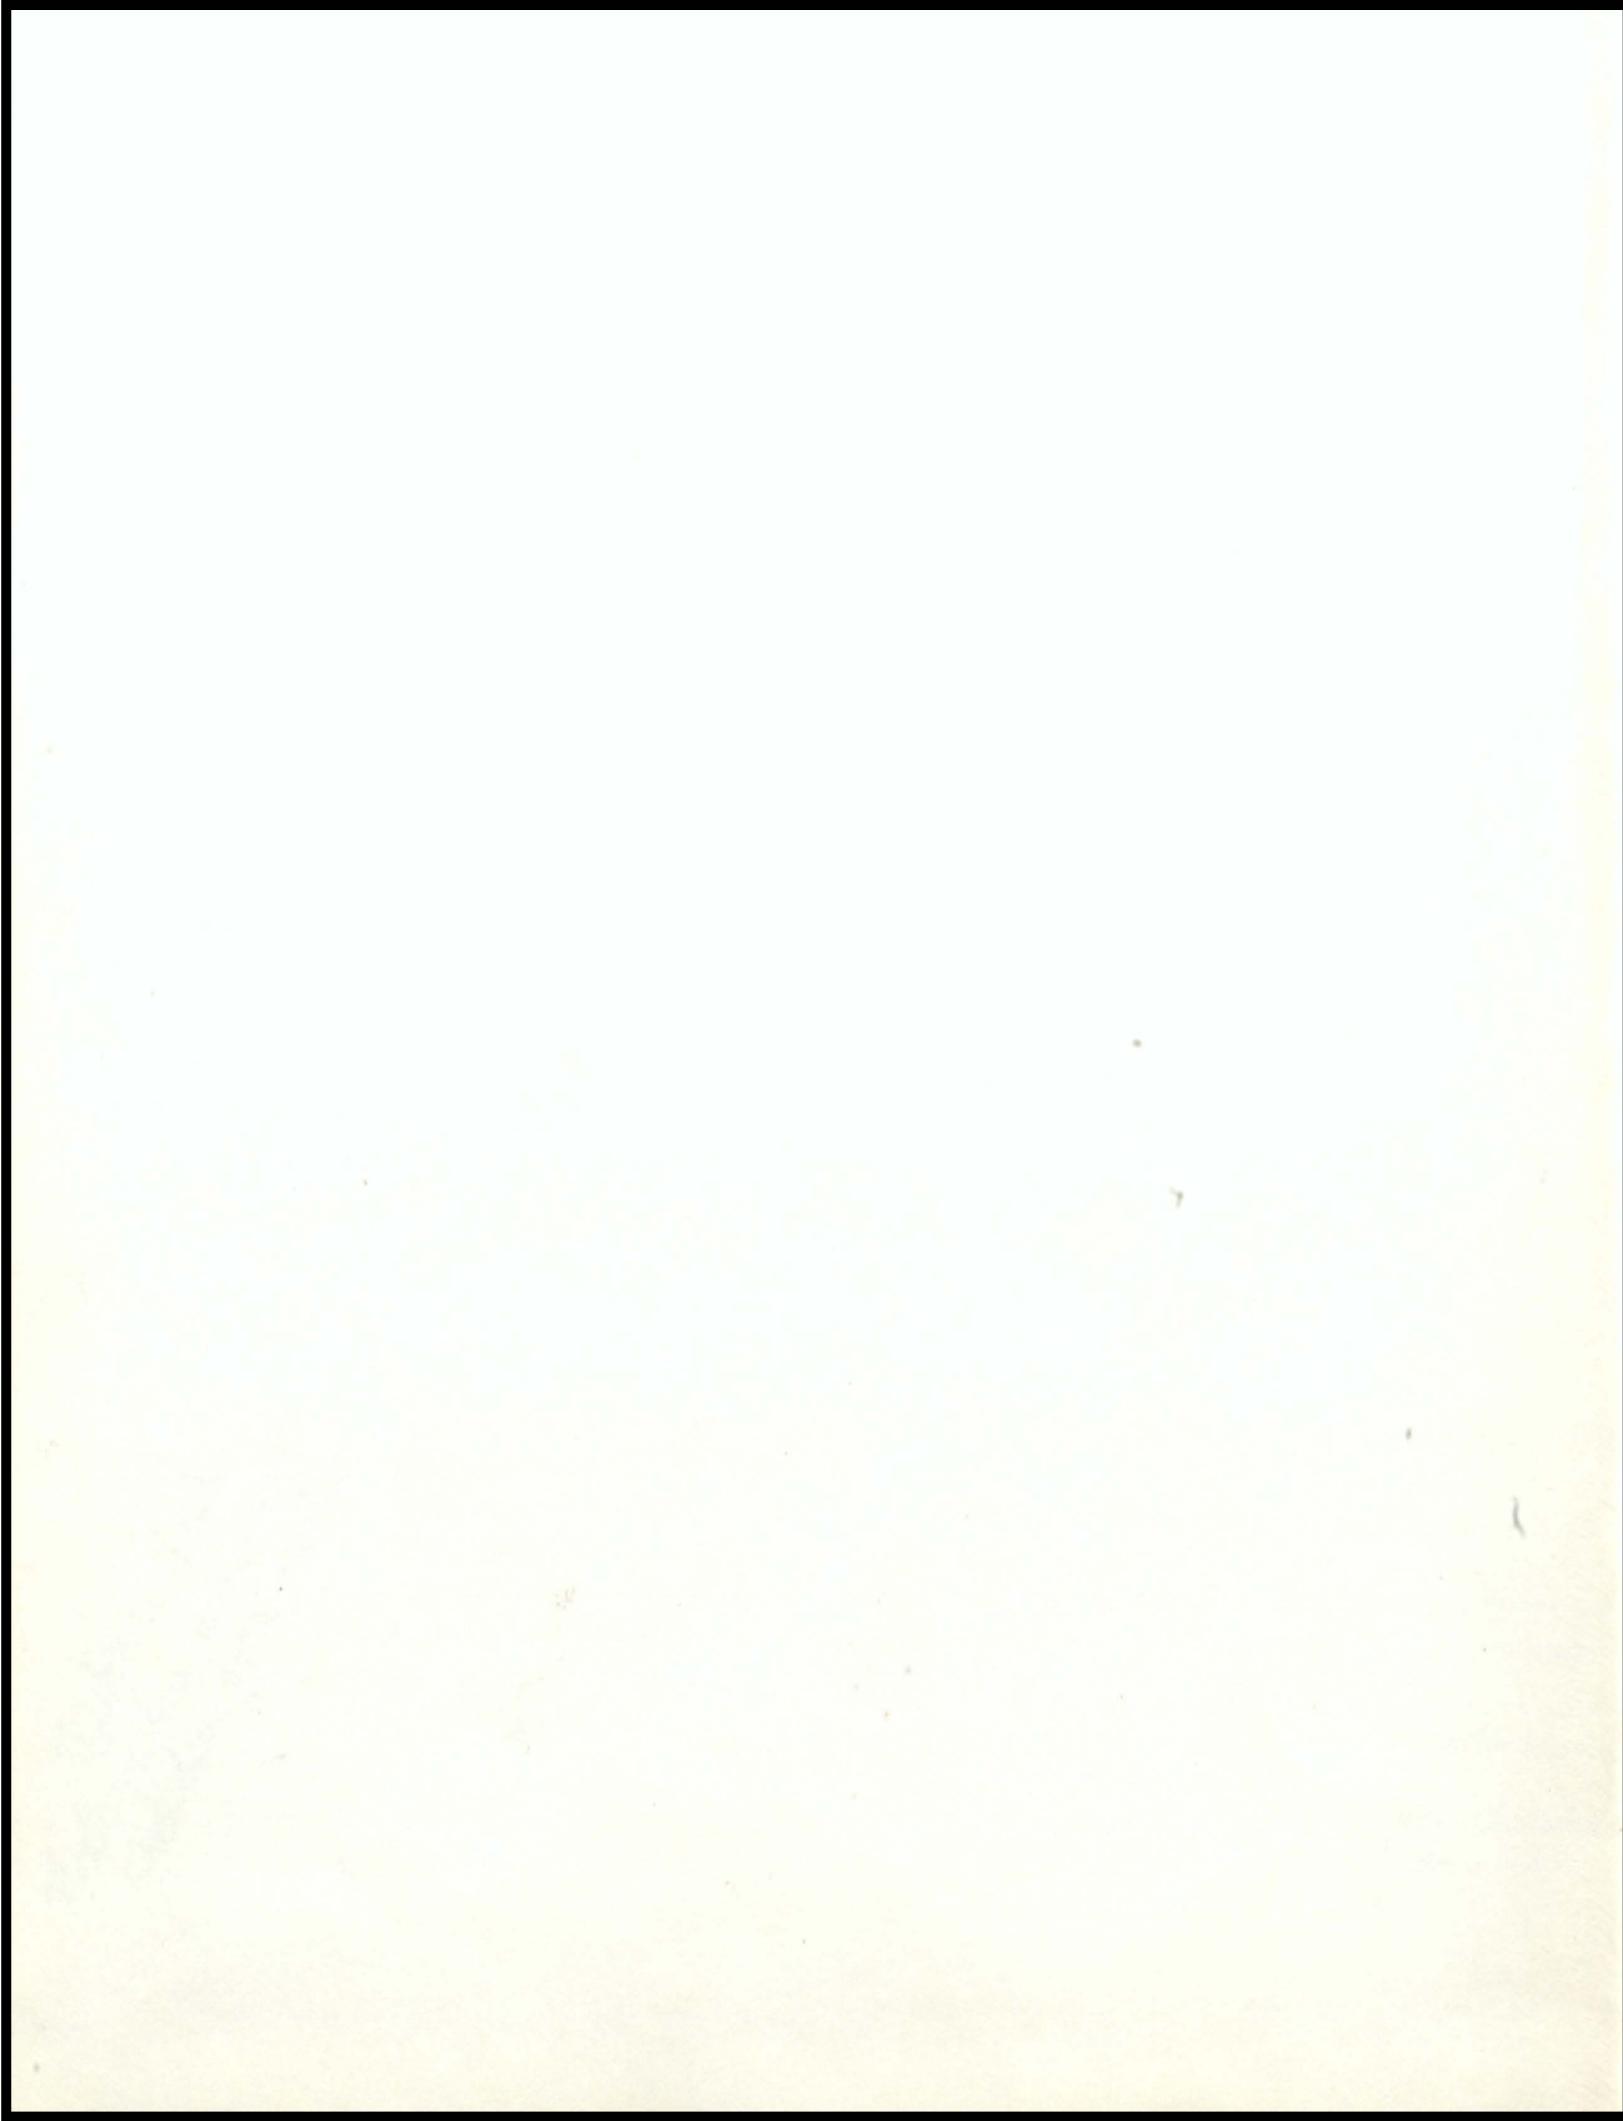

I would like to thank Mrs. Judy Schultheiss, our advisor for all she's done to guide us. And I greatly appreciate the contributions made by Craine and Williams, Barbara Bloom (Taylor Publishing).

I would also like to congratulate the class of 1985, wish them love, happiness and success in their lives. As the years go by, may your OAK help you remember the activities you enjoyed, the people you met and your invaluable, unforgettable experiences.
